President's Message

by Rick Matteson, President of Master Board

Aurora restrictions on lawn irrigation go into effect May 1 due to the city's declaration of a Stage I drought. We will eblast details of how the restrictions will affect watering practices throughout the community, but basically:

- Lawn irrigation will be restricted to two days per week. Individual homeowners with even-numbered addresses will be allowed to water on Sunday and Thursday, and those with odd-numbered addresses can water on Wednesday and Saturday.
- Residential irrigation systems cannot water between 10 a.m. and 6 p.m. The maximum number of days per week and daytime watering restrictions also apply to watering lawns with a hose or manual sprinkler attachment.
- Watering vegetable or flower gardens by hand is allowed between 10 a.m. and 6 p.m.
- The Master Association, Traditions and Villages are working together to determine irrigation for common areas and residences in those sub-associations.
- Two existing wells – these were the primary irrigation source for the golf course prior to installation of a city-owned water line – will be utilized to make up for a 20 percent reduction in golf course water supplied by the city.
- The city intends to enforce water restrictions with higher water rates for overuse, as well as fines for violating irrigation times. If you have complaints about violations, please direct those to the City of Aurora, not to HEB's administration office.

The city's actions, and what they might imply about future water resources, heighten the importance of HEB's plans to replace the current irrigation system on the golf course. Our goal is to significantly reduce the amount of water needed for irrigation and to be more efficient with what we do use. We expect to accomplish that through the design and technology of a new system, and a reduction in the acreage that we irrigate (we currently irrigate about 102 acres of fairways, greens, tees, roughs and driving range turf).

General Manager's Message by Gene Blum

First off, I want to say a big "welcome back" to all the snowbirds coming back to the Club this spring. You have been missed and we look forward to seeing you around the Clubhouse, Community and the Golf Course.

As you know, this month we will celebrate two big events in the Clubhouse. First up is the Cinco de Mayo Celebration, held on the 5th of course, featuring a delicious buffet and special margaritas in the Antero Ballroom. Next is the always popular Mother's Day Brunch held on May 14th from 10am to 3pm, equipped with the amazing spread you have come to expect from us. We can't wait to see all those happy families and beaming mothers. We will then kick off the outdoor pool season on the night of Friday the 26th with a DJ and great specials at the pool, followed by our Memorial Day Celebration on Monday the 29th. This will of course include a grill and all the classics as you relax and dance with the DJ at the outdoor pool.

Last month, we welcomed Zane Zwemke as the new Assistant Golf Professional and Tournament Director. He grew up in a golf family and golf has been a major part of his life ever since he could walk. His teaching mantra is "if you can shake hands, you can play golf!" He looks forward to helping everyone discover their natural swing while also creating a positive, memorable and enjoyable experience. Please give a big HEBGC welcome the next time you are in the golf shop.

Now that spring has arrived, it means HEBGC crews will be all over the community planting flowers and other beautiful plants. This is truly one of my favorite times of the year, watching as the colors begin to bloom up around the Clubhouse and neighborhoods. It's always fun to see what new gorgeous designs the team comes up with every year.

Golf at the club is finally ramping up, and I encourage everyone to hit the fairways and enjoy your beautiful course. We have a lot of new residents and if you haven't had a chance yet to play the course, we of course want to invite you out as it is just one of the great amenities that are available to you as a member of HEBGC. Additionally, last month we rolled out the Troon Advantage Reciprocity program to our residents. This complimentary program allows all HEBGC residents to request discounted tee times at hundreds of Troon-managed Resorts and daily fee clubs. Courses can always be found at TroonAdvantage.com, and there are posters and flyers in the Clubhouse with information.

Here's to a wonderful Spring!

IRRIGATION

At our April quarterly meeting and in subsequent eblasts, you've been informed about lowering your expectations for green, green grass at home! Please DO NOT call the hotline regarding brown grass. You will be told TEB is following water restrictions from the City of Aurora. You will notice irrigation fewer times and less time running. For further info on dead vs. dormant grass, go to cityofaurora.gov and look for the water department.

VOLUNTEERS NEEDED

This fall, 4 Traditions Board terms will be expiring. We are seeking homeowners to step up and volunteer to join the Board. Should you have an interest, please call or email one of your current Traditions Board members to see how your skills may be of benefit to your Traditions community. The best board members put community interests first, take pride and seek to build long-term value. If this sounds like you, we need you!!!!

Village Voice by Myrla Marshall

Hopefully you attended our Quarterly Meeting on Tuesday, April 25th at 5:15 p.m. and are current with all of our projects.

The story for the summer will be Brown Grass. Everyone is communicating that this year will be different. We can ONLY water 2 days a week. You can only water your grass by hand on the same days! The golf course will also have their water reduced by 20%. We are in a drought, so our community will look different. We will keep you informed via email - make sure you are receiving the board's emails!

We also want and need more volunteers for the VIVA (Volunteer In The Village Association) group - Volunteers who are willing to help on Wednesday's to do small landscaping work throughout the community! Please contact Marcia Johnson at 303-949-1404. If you can only do one day a month that is great!

One final note, in the Villages we are required to park our cars in our garages overnight. We are not to be using Visitor Parking. If you are having work done in your home and need an exception for a short period of time we understand. If you need longer than two weeks, please contact Jillian Wyatt.

RV'S !!!!

by Diane Langley, Community Manager

In 2017, a great deal of time was spent dealing with questions and issues surrounding RV's. Since then, we like to be prepared! Many who do not have RV's want to know what the restrictions are and those that do have RV's want to know what they should be doing. We ask all RV owners to be mindful that you can only park in front of your home for **48 hours**. Also, RV's can be parked with a permit at the Clubhouse parking lot for **48 hours**. Please contact the Welcome Desk for a permit.

This is allowed for quick turn-arounds, not for any type of permanent parking. As most realize, there isn't much room in front of homes and it can be an inconvenience for your neighbors if you leave them beyond the 48 hours. On the other hand, the rules and regulations do allow RV's to park in front of homes and in the Clubhouse parking lot for resident convenience. Many of our residents enjoy RVing and we appreciate everyone being respectful of the 48 hour time frames for loading, unloading, de-winterizing and winterizing your RV's.

DO YOU NEED HELP LOGGING INTO THE HEBGC WEBSITE?

PLEASE CONTACT JEFF LAMBERT AT

JUST A REMINDER: NO ONE UNDER 19 YEARS OF AGE CAN LIVE IN THE COMMUNITY.

Guests under 19 years of age may visit for up to 6 weeks in a row and no more than 90 days in a year. It is never a pleasant situation when this is reported and has to be dealt with.

We ask that you understand this for the sake of the other residents who moved to an age-restricted community as a choice.

THANK YOU!

TIME FOR SPRING CLEANING AND EXTERIOR PROJECTS!

*As Spring approaches,
here are several reminders!*

Spring is upon us, I know we are all out and about sprucing up our homes and yards. Below is some helpful information on commonly asked questions regarding the warmer weather and keeping your home beautiful and well maintained:

Waterwise Landscaping – With the watering restrictions in place by the city of Aurora, many homeowners are looking into alternatives for their homes' landscaping. This could be a great way to reduce water and is strongly encouraged by the City of Aurora. The city is offering rebates through their GRIP (grass reduction incentive program) program if, or when, you install water wise landscaping. Please contact the city of Aurora for more information or go to their website at https://www.auroragov.org/residents/water/rebates/water-wise_landscapes_rebate. The city is a great resource and can also help assist you with coming up with your new landscaping design. Please make sure to read through HEB's Resident Improvement Guidelines for more information on xeriscaping your property. A copy of our 'RIGs' can be found by logging into the resident only side of the website, selecting HOA/then Committee Reports/ then select Architectural Submittal/AAC.

Radon Mitigation Systems – The request to install Radon Mitigation Systems in resident households has become very common in the Colorado area. The EPA and HEB's AAC encourages residents to have their homes tested for Radon, to see if mitigation is needed, and will work with anyone planning to install a Radon Mitigation System. Please contact Jillian at jwyatt@heritageeaglebend.com for approved examples of Radon Mitigation Systems in the community.

Painting – If you are painting your single-family home, we have an Approved Color Paint Book located in the Administration Building that you can borrow when choosing your home's new colors. All paint projects require an AAC Submittal Form, even if residents are choosing a pre-approved color or painting the home in the previous paint color.

As a reminder, ALL exterior improvements require advanced approval before starting any work. This includes, but is not limited to paint, roofs, decks, awnings, railings, landscape, fountains, hot tubs, patios, concrete projects, and all fencing. Please contact the Administration Building at 303-235-1888 or Jillian Wyatt at jwyatt@heritageeaglebend.com for AAC forms and more information.

We thank you in advance for all your hard work in keeping your home and our community a wonderful place to live!

Bocce by Cathy Murtha

Can you feel the buzz of excitement in the air? It is not only the birds and the bees, but just around the corner the 2023 Spring Bocce leagues will begin! The Leadership Committee has put together an exciting Spring season featuring the long standing popular leagues, as well as bringing back from last year the Traditional Bocce league and Friday Drop In Play. What about tournaments you may wonder, well we have three tournaments planned for throughout the season, so wonder no more!

Registration has taken place, but if you have been intrigued with the new Sunday Evening League – Team Bocce, you still have time to put your team together and register, all you need is 6 people. The team can consist of just women or men, or a mix. Give your team a fun name, have T-shirts made, or not, and be ready to encourage teammates during play. What is even better is the registration fee for this league will be waived for the Spring Season and it won't count against the two league limit. It doesn't get better than that!

The Spring Bocce leagues will begin on Sunday May 21st with the Team Bocce league and will end on Friday July 28th with the Friday morning Drop In Play. We hope you have registered for a league, and we will see you on the courts!

JUST REMEMBER – LIFE IS GREAT BOCCCE MAKES IT BETTER!

Genealogy Club News!!

by Cindy Born-Mylo

Our May 8, 2023 program will feature Dina Carson presenting via zoom *Glamorous Genealogies or Fabulous Family History: Planning a Do-Able Project*. Most genealogists love the hunt. They relish their time in the archives and libraries and can't get to bed without one last look at the computer. Most of our non-genealogical relatives would rather read about what you've found with or without the trip through the dust. But how do you choose a project that will showcase your hard work, without committing to another War and Peace? This class will give you some tips and tricks to focus your research and writing so that you can wrap up a project in time for a holiday or family gathering.

Dina Carson has been involved in genealogy for more than three decades and is currently the coordinator of the Boulder Pioneers Project. She is the author of more than ninety annotated indexes of Boulder County source materials and lectures to genealogical societies throughout the state. Dina is the author of 10 books about publishing and genealogy and is also working with the Colorado State Archives on state-wide indexing projects. Her experience with all phases of book publishing helps first-time self-publishers create quality family or local histories that are both believable and achievable.

The presentation will be given in person and via zoom. Please contact Cindy Born-Mylo at cindybornmylo@msn.com as soon as possible if you would like to attend. The cost for this lecture is \$5 for either in-person or via zoom.

SAVE THE DATE

We will not be having a genealogy meeting in June, July or August so we will see you in September when our own Bill Hatelly will be presenting Demystifying DNA. Watch the newsletter and eblast for more information as September nears.

The Genealogy Club is open to all HEB residents and meets the 2nd Monday of every month at 10:00 a.m. until noon at the HEB Clubhouse. If there are any questions, please contact Cindy Born-Mylo at cindybornmylo@msn.com

Our May meeting we will have a **CHANGE** of date to May 22 at 10:00 a.m.

We will meet at the clubhouse and do fresh flower arrangements for a local nursing home, also for tables at our clubhouse. We will have some containers for the flowers. IF you have one to donate please bring it with you to the meeting.

Our June meeting will be a field trip to Fairmount Cemetery to see their beautiful rose garden, more information will be forth coming.

Just a reminder that our membership renewal starts June 1. You may pay for the membership at the May meeting with a check. (No cash).

Billiards by Marty Patten

Well hopefully Spring is finally here, but if you're not into playing golf or pickle ball, why not come join us in playing pool on Monday and Thursday afternoons in the HEB Billiards room? Get out of the house and come join us. Many current Billiards Club members continue to play pool every week, so come on over!! We would really like to expand our membership and start having various competitions again. Please join us in play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play, for billiards club members, are currently Monday and Thursday afternoons from 1 to 5 pm. We can have 8 or more players at a time in the Billiards Room, so we can have members playing on both pool tables, with 4 at a time playing on each table. We can also schedule additional days and times or even evening times if there is enough interest. If we can get more participation and enough interest, we would again like to host pool tournaments and playoffs.

If you would like to join the Billiards Club, dues are currently \$10/year, but remain suspended for all members until we resume full normal operations. Women are also encouraged to join and in the past there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

If you want to join the Billiards Club, or if you have any questions, please contact Marty Patten @ (303) 690-5971. Your feedback on when to schedule reserved times for play is appreciated.

THERE'S STILL TIME...

Blood donors are needed to fill all appointments for our **FRIDAY, MAY 5th** blood drive. **Can you help?**

Contact
junegoddardcolorado@gmail.com
to schedule an appointment.
Donation takes about an hour from sign-in through canteen.
Blood supplies remain critical.

Feeding Wildlife

Feeding Wildlife puts everyone at risk. We know people mean well when they give tidbits to wildlife. What many don't realize is that feeding big game is bad for the animals and dangerous for people. It's also against the law. When deer herds move to lower elevations closer to homes, some people may feel the deer do not have adequate food sources, but the contrary is true. Colorado Parks and Wildlife launches controlled, emergency feeding of big-game animals during extremely harsh winters.

To report any wildlife concerns, please contact the Colorado Division of Wildlife at 303-291-7227.

Painting Unique Perspectives Challenges Artists' Perceptions *by Sheryl Hutchings*

Sometimes, looking at the world through a different lens is both interesting and refreshing. That is the attitude of members of the Watercolor and Beyond group who have been willing to create works of art focusing on a unique perspective of some kind. They invite you to stop by the craft room sometime during the month of May to view their latest artistic endeavors.

Pat Powell's "Bainbridge Beauty" was painted from a photograph and memories of a hike in the Grand Forest on Bainbridge Island, WA.

Roxanne O'Rourke created "Fin and Tailsights." She says, "This watercolor painting was definitely a unique one for me to work on. I wasn't sure how it would come out, but I am happy with it."

Karon Sorenson submitted a pen and ink drawing inspired by an interesting cluster of living and dead trees that she spotted on one of her many walks. She titled it "A Grouping of Unusual Cottonwood Trees."

"See-bra?" is Elaine Tsumura's contribution. She says, "Art provides many opportunities to create or observe things in new ways or unique perspectives. This painting was done with poured watercolors and offers a different look at a favorite animal."

"My Rose" is the title of a watercolor depiction of a rose from a close-up point of view which Pat Marden shared. Pat says, "I love roses and often wander through my garden, looking closely at them and admiring their intricacies. I particularly love this color of roses."

Lynn Kowalski experimented with what artists term one point perspective in a watercolor titled "Summer in Temecula" based on a photograph she took last summer while traveling. "I had a lot of fun learning how to draw and paint a picture using this type of perspective!"

"Cast Shadows" is an oil painting by Christina Davis. She reports that "the inspiration for this painting came from a trip to Southern Italy, when I came across this wonderful little café table and chairs, sitting in front of a house, and casting these fascinating abstract shadows across the patio."

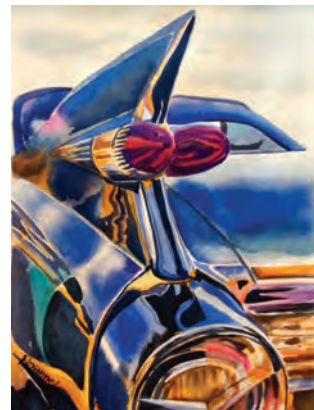

Carol Taylor sent in "Clouds," a watercolor showing the unique perspectives clouds can create as subject matter for paintings. "They are ever changing. Sometimes calmly drifting across the sky, and sometimes violent and angry."

Sheryl Hutchings chose to share "Tulips Viewed Through A Rain-Streaked Window." It is an abstract representation of tulips created on Yupo paper with alcohol inks. "Because alcohol inks are so very fluid, one often ends up producing a perspective that is completely unpredictable. Using them on Yupo paper, which is like a sheet of transparent plastic, increases the challenge."

Just in case you did not know, most of the artistic works on display either in the library or in the craft room are for sale. We hope that you will see something you just can't live without. If so, please inquire about it, and we can connect you with its creator. Just send an email about it to Sheryl Hutchings at sahutch@me.com and she will pass it on to the artist.

Planning Proceeds for Fall Term as Spring Term Winds Down

by Sheryl Hutchings, CAL Chair and Publicity Lead

The 2023 Spring Term is nearly completed, and in the blink of an eye, CAL will be entering its summer hiatus. That does not mean, however, that the planning for Fall Term classes is on hold. It goes on behind the scenes as Curriculum Lead Alice Edwards works to put together an interesting array of class offerings in September, October, and November of 2023. She has already lined up several possibilities and will be finalizing the slate very soon.

One of those classes will certainly be a follow-up to a Let's Talk gathering which took place in April. HEB residents who have traveled to Australia, New Zealand, and French Polynesia will share their experiences in that corner of the world. Pacific Island Adventures will most likely be the title of this class.

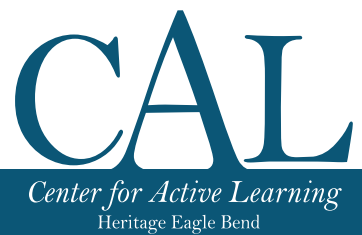

Another class might be a follow-up to the British Coronations class offered during the Spring Term. The current class proved to be so popular that the opportunity to "zoom in" was extended to all those on the wait list. Because an interest in many things British appears to be strong here in HEB, we will most likely work to develop a class that capitalizes on that interest.

In the future, there will most likely be more opportunities to zoom into more classes as CAL works to expand its technological capabilities. Matt Prazenka, CAL's Audio-Visual Coordinator, is working diligently to upgrade our equipment, synchronize technology needs with HEB Clubhouse management, and train facilitators on how to use the latest tools.

CAL is always looking for new classes and facilitators. Alice keeps a constant pipeline of future class possibilities and would love to hear from anyone anytime. If you have an idea for a class, you can visit the CAL website at www.calheb.org where you can find a form to submit. You can also email Alice with your idea at ae5@aol.com.

Alice is also looking for a few people to work closely with her on curriculum development. She reports, "We look for about a dozen classes each of the three terms to be presented by people who live in the community. One of the most fun parts of my job is meeting with people from HEB to find out more about them when they contact me to say that they might have an idea for a class." If you are someone who loves to learn and is interested in meeting people, you might really enjoy working with Alice.

The final list of classes that will be offered in the Fall Term will be announced in late summer when the date and time for the Fall Kickoff have been determined. In the meantime, all of us on the CAL Leadership Team wish to thank all who have supported our efforts to provide learning opportunities to our community, either by facilitating classes or by attending them. We also extend our best wishes for a safe, happy, and fun-filled summer!

Treescape / Tree Lawn Trees Replacement Process

The Residential Improvement Guidelines and Aurora City Ordinances requires at least one (1) tree in the treescape of each residential lot at a spacing of 30'. The only type of tree allowed in the treescape area are shade trees of 2 ½" caliper. In addition, the following should be noted:

- All residence's property lines extend from the rear yard to the back of the concrete curbing at the street. Homeowners own and are responsible for the maintenance of their treescapes.
- Treescapes must remain Kentucky Bluegrass and have a tree planted every 30 feet. If a tree dies in the treescape, it must be replaced in a timely manner at the expense of the owner. Note: some Xeriscaping is allowed by submitting a written request to the AAC.

To bring your Lot into compliance, a Shade Tree(s) of 2½" caliper must be planted in the treescape. The following trees have been pre-approved for planting in the treescape area:

- Locust, Shade Master
- Locust, Sunburst
- Maple, Autumn Blaze
- Oak, Shumard
- Linden, Green Spire
- Oak, Chinkapin
- Maple, Crimson Sunset

The following trees are not allowed to be planted on any Lot within the HEBGC Community: **Ash, Aspen, Cottonwood, Russian Olive, and Weeping Willow.**

Replacement of the Treescape / Tree Lawn Tree is an Administrative Approval through the Admin Office, see instructions below:

Submittal Checklist:

- Email photo of existing treelawn / treescape tree to Jillian at JWyatt@heritageeaglebend.com
- Include the type of tree you will be replacing it with from the list above
- Jillian will respond to email with approval to proceed as "maintenance"
- Email photo of completed tree planting

Please follow the advice of the nursery or landscape company installing the new tree about the best time to plant. It is OK to wait until Fall or Spring to plant the new trees, just let us know in your email to us.

Thursday Morning Ladies Golf Group

by Cynthia Hungerford

Hey Ladies, Spring is right around the corner and soon we'll be hitting the links for the 2023 season!

Have you heard about the Thursday Morning Ladies Group? If not, here's the scoop: This is an opportunity for the lady golfers who live in HEB to get together each week for a fun, fast and friendly round of golf with other HEB gals. It's a great way to play with your friends or meet new players.

We play each Thursday morning from mid-April through late October, depending on the weather. **There are no additional fees, only your green fees are required, and players are under no obligation to play each week.** Tee times are allocated to the group by the Pro Shop and we usually start around 8:00am, depending on the time of year.

An invitation to play is emailed to everyone in the group 10 days prior to the play date. Interested players have 3 days to respond and the pairings are sent out 6 days before the scheduled date. Then all you have to do is show up, pay your green fees, play golf, and have fun!

If you would like to be included on the email list, send your name, phone, and your average 18-hole score (or handicap) to ThursdayLadiesGroup@gmail.com.

Tennis Club by David Peck

The HEB tennis club began the new season on Saturday April 1st. We had 10 members playing on both courts. The weather was great and it was nice to be outside playing tennis again. A picture of the group is below.

The women started their Monday morning session on April 3rd utilizing both courts.

Many members have already paid their \$10 annual dues. This money will be used for new balls and social events. The courts are in great shape and the wind screens should be in place soon. We will play as often as possible, weather permitting. We have a dedicated group of players and are always looking for new members to join us. If anyone else wants to play, please contact me.

Men's Golf Association

by Larry Cotter MGA Chair

The 2023 MGA Season is off and running. Our annual spring Luncheon/Business meeting is over and lets all hope for good warm and sunny weather for a great spring of golf. We have a very diverse schedule with weekly events ranging from team events to individual stroke play events to provide a fun and competitive experience regardless of the format. The goal of the MGA is to have a good time and just play and brag (or complain) after your round over lunch and a cold one with your old and new friends.

It's never too late to join us on Wednesday mornings. If you love golf and want to get together with fellow HEB golfers, the MGA offers a great experience for golfers of all levels. If you have not signed up and are interested in more information or want to join us, talk to Jason in the golf shop or one of the MGA Leadership Committee members.

In order for the MGA to help keep our great course in outstanding condition we have established a series of monthly challenges to let our members support out grounds crews and fellow golfers. These are simple common sense challenges that take little time and effort but go a long way to help keep our course the outstanding gem that we have right here in our own community.

MGA Challenge for the month – RESPECT

Let's start the season by respecting all parts of our HEB Golf experience, starting with the men and women who make our MGA experience possible and equally respect our GREAT course!

1. Thank and respect all of our great HEB staff
2. **PLAY READY GOLF** - Keep up with the group in front of you
3. Fill in all divots and visible ball marks (not just yours)
4. **RAKE BUNKERS**
5. Only drive carts in designated areas

AS ALWAYS STAY SAFE AND LET'S HAVE A GREAT 2023 GOLF SEASON

Welcome Zane Zwemke

"If you can shake hands, you can play golf"... This is my teaching mantra, and these are some of the first words my new students hear from me. Ever since my father put a golf club in my hands as a toddler, I have loved this amazing, challenging, humbling game. Growing up in a golf family, I remember spending every minute of daylight on the course with my father. He was a golf professional when he took me to work, I would follow him around the course, hit balls until my hands cracked, ate countless hot dogs, and escaped on occasion to fish in the ponds and streams. The Denver Post wrote an article about my family about forty years ago. Our entire family of six (four children, two parents) had a combined handicap of 17. I was in my first year of college, and my brother and sisters were in middle and high school. Golf has been a part of my life since I could walk, and it is a privilege for me to share my passion with others as a 31-year PGA Class A Member.

My favorite playing experiences include legitimately beating Tiger Woods in my first major along with club records at Aurora Hills (58), Walking Stick (62), and Indian Tree (62). I took second place in the Colorado Open in 2000, and I continue to compete in Colorado PGA section events. I found someone with as much passion for golf as I have, and I am lucky to call her my wife. We play in pro-amateur events, and we enjoy vacation golf in Mexico and Florida. I have worked in the golf business for over 35 years as a professional golfer, teaching professional assistant and head pro.

I have taught students of many ages, backgrounds and skill levels. I believe everyone has their own unique swing, and it is my job to help students discover their natural swing while working on the basics, grip, stance, posture, alignment and balance. Every student has his or her own learning preferences, some prefer more words, some prefer fewer. Some prefer to see it and do it; others prefer to feel it. I love personalizing each lesson to maximize my students' learning and create a positive, memorable, enjoyable experience.

Women's Golf Association *by Sandi Miyaki*

Last month we shared 5 new rules that have been published by the USGA earlier this spring. For this coming season, our WGA also has a new Rules Education Committee. Their primary purpose is to educate our members by hosting a few fun, informative, interactive, social events throughout our season which are directly relevant to our golf course experiences during play. To clarify, members of this committee are focused on providing helpful education for the league membership.

As in past seasons, our Ruling Decision Makers continue to be Jason Franke and Craig Hatch. Just as we have in years past, if during your league play an event occurs and you're not sure how to score it, you'll still play 2 balls, take good notes, then after play speak directly with Jason or Craig to determine your hole score in that scenario.

Our new WGA Rules Education Committee members include Melanie Smith, Amy Knowles, Lori Gibson, Carol McCann, and Michelle Jeffords. Please watch for upcoming announcements for their upcoming sessions.

GOLF CART SAFETY REMINDERS

Carts may be operated by anyone sixteen (16) years of age or older, providing that person has a valid driver's license. Please ensure that no one under 16 years of age is operating a golf cart.

Children under six (6) years of age are NOT permitted to ride on carts.

Golfers, please be careful when entering the street from the golf cart paths. Drivers, please look out for golf carts on the streets.

Thank you for your attention to this very important safety matter.
Safety is our #1 priority!

Golf Cart Tires

Please ensure you have the proper tires on your golf cart so that they do not damage the course. All golf carts should have the Turf/Street tires and not the All Terrain tires. Carts with All Terrain tires will not be permitted to be used on the course. Thank you for your understanding and cooperation.

Ladies 9-Hole Golf Subcommittee by Mary Scherr

OPENING DAY IS ALMOST HERE!

The season starts on Thursday, May 11th with tee times beginning at 7:30. The following week, May 18th, is our Season Opener Social/Scramble. There will be a shotgun start team scramble at 8:30 followed by a breakfast buffet and meet and greet. Mark your calendar for both of these dates.

If you are interested in joining our league, never fear, registration is ongoing. Simply contact our membership Coordinator, Chris Holliday, 303-321-5922 or email clrh68@gmail.com. She can answer any questions and send you a registration form.

New members are welcome at any time. Our league includes players of all skill levels and play is friendly, relaxed, and in a supportive environment.

Existing Members: please remember to update your registration information for 2023 with Golf Genius by going to <http://www.golfgenius.com/ggid/2023ladies9hole/register>.

Also, remember the special Rules Seminar set for May 31st, open to all women's sanctioned leagues. This will be presented by Sandy Schnitzer from the Colorado Golf Association. Sandy is a long time volunteer at CGA and her passion is helping golfers of all abilities understand and use the Rules of Golf. "Even though a lot of people believe the rules are confusing and complicated, I think they are pretty logical," she said. "I look at the rules as a tool to help us make good decisions on the golf course when we get into trouble."

Because space is limited, we do need reservations for the seminar. RSVP to Liz Folk at lizfolk@gmail.com.
