President's Message

by Rick Matteson, President of Master Board

You probably have noticed a number of HEB residences where grass has been replaced by xeriscaping. We are seeing a growing interest among residents about this type of landscaping, as well as many questions about what is involved in the process. That led us to arrange a presentation in June by the City of Aurora's water-wise experts to discuss the things a homeowner should consider before starting the xeriscaping process and explain what resources might be available from the city regarding planning, design and potential cost assistance. I hope you found that helpful if you had an opportunity to attend.

We also are working to implement legislation passed this year by the Colorado Legislature – SB23-178, which will become part of the Colorado Common Interest Act in August. The legislation only affects individual, detached houses; it does not apply to homes with shared walls, such as Traditions and Villages. Our RIGs already accommodate most, if not all, of the xeriscaping requirements.

However, the law also allows residents with detached houses to plant vegetable gardens, and requires homeowner associations to adopt at least three pre-approved garden designs that can be used by owners without going through the architectural approval process. Our Architectural Advisory Committee is in the process of developing appropriate language to update HEB's Residential Improvement Guidelines.

The state Legislature failed to pass a more contentious land use bill that would have eliminated local-level control of residential zoning. Among other things, it would have required HOAs to allow homeowners to build accessory dwelling units on their property. We shouldn't be surprised if legislators take another run at this in their next session.

Looking ahead, please note that the Board has moved the date of our August work session to accommodate members' summer travel schedules. Normally held on the second Wednesday of the month, the August work session will be held on August 16.

HAPPY

DAY

General Manager's Message by Gene Blum

Summer is in full swing and all the activities around the clubhouse and community are in full swing as well. You should be noticing all the beautiful flowers and plants around the Clubhouse, gatehouses, and common areas. The crews were busy and hard at work planting through May and June and those colors have begun popping all around. If you happen to spot the crew nearby, be sure to say hello!

Events are heating up at the club, as you know. On July 4th, we will be hosting a grill-out, with all the fixings, and DJ music, down at the outside pool. Following that, we will have the much-anticipated golf cart parade, a beloved HEBGC tradition. Residents are encouraged to decorate their golf carts and show off their American spirit, then tour around the community. Don't forget to plan ahead, as there will be prizes for "best-dressed" cart. If you're ready to dance, on July 11th, we are bringing back another Dance with the DJ event in the Antero room and DJ at the outside pool on the 21st for drinks and music in the evening. Additionally, the field is filling up for the Golden Eagle Classic, our signature men's member-guest golf tournament taking place July 13th through the 15th. Three days of exhilarating competition. Given its popularity, we anticipate a full roster of participants, so make sure you do not miss out.

Speaking of events, now's the time to plan for future events for this year and beyond. We encourage you to spread the word to family and friends about this beautiful venue that is perfect for weddings, receptions, parties, meetings and more. Find out more about our event offerings by contacting Jennifer Stoneking at the Clubhouse.

To all those spending their summer with us in colorful Colorado, I look forward to seeing you at the clubhouse, on our incredible Eagle's Nest patio, and enjoying all the club has to offer as the weather heats up. If you are vacationing away from us right now, we wish you safe travels and we will see you when you return.

another wonderful month

Traditions Talking by Traditions Eagle Bend Board Members

FINANCIALS

The operating results (subject to audit) for year-to-date May 2023 are complete. The net result is an excess of \$89,790 versus a budgeted surplus of \$57,405. We have lower expenses in communal water, landscape services and snow removal expenses. For May 2023 reserve net income shows a deficiency of \$16,301 vs budgeted surplus of \$63,510. This deficiency is temporary and caused by the timing of our payment for exterior painting.

LANDSCAPING (SHRUBS AND TREES)

SaBell's will be trimming shrubs in June and July. Watch trees near your structure through the rest of the year. If a tree is touching any structure, call the hotline to get on the February 2024 structural tree trimming list done by ArborScape by December 18, 2023. New tree growth will remain soft and non-damaging to structures.

VOLUNTEERS

In October 2023, two Traditions Board terms will expire. We are asking homeowners to step up and run for the Board. If you have an interest in volunteering for your community as secretary or director in charge of snow, please call or email one of your current board members to find out how your skills would benefit the Traditions community. We'd also like to add a sixth and or seventh member to our board to assist in all areas of our community.

One current director will rerun, and an appointed director will run for the board. The best board members put the community first and seek to ensure the viability of TEB. We need you!

AAC SUBMITTALS FROM TRADITIONS HOMEOWNERS

After submitting a plan to extend a patio or deck, your next step is to call the Hotline so that SaBell's can mark irrigation lines and heads. Plan on 10 or so working days for SaBell's irrigation techs to get here to mark your property. This work is not simply marking sprinkler heads; digging is involved to find the lines. Wait for the notice that SaBell's has done their work for your extension before you have a contractor get to your property. Please remember that exterior irrigation is a communal system for 279 homes. Finding the lines and sprinkler heads must be done before you complete any extension. The communal system must work properly for the 279 homes in TEB.

Village Voice by Myrla Marshall

July is here and summer days are in full swing! I want to invite you all to attend the July 25th Quarterly meeting at 5:15 p.m. We will share what we are preparing for the 2024 budget and as always would like your thoughts.

Gutter cleaning has been the responsibility of the homeowner for several years. This is a reminder that cleaning your gutters on a regular basis is a good practice. Even if you have a new roof, the grit from the shingles does shed. We all have shedding and with our regular small hail storms regular cleaning is the best preventative practice. It also helps retain the life of the roof. AVI will provide the service for \$100 or \$75 per homeowner if the entire building all chooses to get their gutters cleaned at the same time. You do not have to use AVI.

Our community is beginning to age, and it takes each homeowner to take pride in their yard to mitigate the aging process. Edging is certainly aging and might need replacement. The rock, especially with all the rain might need to be evened out or supplemented where it has washed away. These two items are not the responsibility of the HOA. Again as I said last year, if your real estate agent told you when you moved into the Villages that anything outside was the responsibility of the HOA - they were not telling the truth. There is NO common ground in the Villages, except the driveways. We will distribute the responsibility chart for your reference at the July meeting. Any questions please call the hotline.

WELCOME ALISON

My name is Alison, and I wanted to take the opportunity to quickly introduce myself! Born and raised in Colorado, I've lived all over the state and continue to find more reasons to love it here. I'm passionate about animals, sports and most importantly, customer service! I am extremely grateful for the chance to be a part of the HEBGC community and have already learned so much. I have never worked in an Active community, but now find myself questioning why I didn't come here sooner! The amount of joy and happiness that fills the air here is contagious, and as your new Administrative Assistant I hope I can keep up with all of you!

This is a vigorous but fun class that uses water weights to exercise and strengthen the core as well as every joint and muscle in the body. There is a supply of weights at the pool for you to use. Because of classes back to back in the pool it is easier to come with your suit on rather than trying to change before class. We have class in the outdoor pool after Memorial Day. Billiard's Club News *by Marty Patten*

SUMMERTIME, and the pool playing is easy!! Why not enjoy the air conditioning in the HEB clubhouse and come join us in playing pool on Monday and Thursday afternoons in the HEB Billiards room? Get out of the house and come join us. Many current Billiards Club members continue to play pool every week, so come on over!! We would really like to expand our membership and start having various competitions again. Please join us in play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play and for billiards club members, are currently Monday and Thursday afternoons from 1 to 5 pm. We can have 8 or more players at a time in the Billiards Room, so we can have members playing on both pool tables, with 4 at a time playing on each table. We can also schedule additional days and times or even evening times if there is enough interest. If we can get more participation and enough interest, we would again like to host pool tournaments and playoffs.

If you would like to join the Billiards Club, dues are currently \$10/year, but remain suspended for all members until we resume full normal operations. Women are also encouraged to join and in the past there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

If you want to join the Billiards Club, or if you have any questions, please contact Marty Patten @ (303) 690-5971. Your feedback on when to schedule reserved times for play is appreciated.

HEBGC Genealogy Club News!! *by Cindy Born-Mylo*

Summertime is here and hopefully we will have sunny days ahead. It is the time for research trips, golf, and summer reading. The Genealogy Club will not be meeting in July or August.

But, if you are interested in keeping your genealogy skills honed, one suggestion is to subscribe to the free *Family Tree Magazine* newsletter at familytreemagazine.com. This newsletter is full of how-to articles and describes a variety of resources. Also new this summer, anyone with Canadian ancestors might be interested in the 1931 Canadian census which was released June 1. It is in the process of being indexed but check it out at the *Library and Archives of Canada* website, <https://library-archives.canada.ca/eng>. For Canadian ancestors this is a great website to explore. The Genealogy Club will be back in September. See you then!

SAVE THE DATE – We will not be having genealogy meetings in July or August. See you in September when the presentation will be *Demystifying DNA* given by our own Bill Hatley.

The Genealogy Club is open to all HEB residents and meets the 2nd Monday of every month at 10:00 a.m. until noon at the HEB Clubhouse. If there are any questions, please contact Cindy Born-Mylo at cindybornmylo@msn.com

There is a Poem in That

by Sheryl Hutchings, CAL Chair and Publicity Lead

Most of us, even those of us who consider ourselves “literary,” often shy away from the reading and writing of poetry. It’s too academic, too hard to understand, and too complicated to write in the opinion of many.

Not, however, in the opinion of one of HEB’s newer residents whose life’s work has been to teach others not only to appreciate poetry, but to write it as well.

Dr. Claudia Greenwood will share her skill and love of writing poetry in “There Is A Poem In That,” a class to be offered in the upcoming CAL term. Greenwood is a retired professor from Kent State University in Ohio. During her thirty-year long career she taught countless students to embrace personal poetry as a way of capturing life’s experiences. Her approach to poetry is not at all academic. She sees it as an avenue to opening the creative spirit and letting it blossom. In fact, she sees the writing of poetry as a kind of therapy, a tool by which we can “work our own way through the curve balls life throws at us by writing.”

Poetry was her personal means of recording and interpreting remarkable moments in her life. Following the death of her adult son, poetry became her lifeline. Since her retirement, she has read to seniors in retirement communities and to groups overcoming loss. She has also published her work in literary journals and self-published several books which are small collections that she calls CHAP books.

Because she and her husband moved to HEB three years ago during the COVID pandemic, they didn’t meet very many fellow residents for an entire year. Now she is ready to engage with the community and share her creative skills. Her six-week

long class will focus on a relaxed, fun-filled, and very personal approach to writing poems.

“Poetry happens when we pause, pick up a pen, and play with words. I will share my process and my poetry and provide prompts and assignments to help participants experiment with their own.”

Kickoff for the CAL Fall term is scheduled for August 17, 2023. You will be able to register for Dr. Greenwood’s class or any of the other classes at the conclusion of the kickoff event that evening. Visit the CAL website, calheb.org, for all the details about kickoff, registration instructions, and a posting of the complete schedule of classes.

Big Skies Provide Inspiration for Watercolor and Beyond Artists *by Sheryl Hutchings*

The philosopher Ralph Waldo Emerson wrote “The sky is the daily bread of the eyes.” HEB artists have certainly found that to be true.

The Rocky Mountain region is known for its expansive and breathtaking skies, so for the month of July, our Watercolor and Beyond group has chosen Big Skies as our theme. From sunrises to sunsets, from mountain scenes to skies over the eastern plains, Colorado’s skies often offer inspiration for lovely paintings. Skies in general are often awesome to view and inspire artists to capture their glory in whatever medium they can.

Elaine Tsumura submitted a watercolor entitled “Colorful Clouds.” She summed up this month’s theme nicely by saying, “Colorado has awesome sunrises and sunsets. When there is smoke from wildfires, we often see brilliant hues in the clouds just above the horizon line. Early risers can observe and appreciate many beautiful sunrise scenes.”

“Colorado Sunset” was painted in watercolor from Pat Powell’s memory of so many evenings when the sky was bathed in breathtaking color.

“Golden Sky” is a watercolor that Christina Davis chose to share.

“My inspiration for this painting was this glorious golden sunset over the mountains that I saw from a friend’s deck in Silverthorne, Colorado last summer,” according to Christina.

“Sunset on the Front Range” is Lynn Kowalski’s submission. She was inspired by a sunset she photographed in HEB one evening. The painting was created by using the watercolor pour method which Lynn thinks made it possible to “capture perfectly the amazing colors we sometimes see in our Front Range sunsets!”

Alaine Lessing’s watercolor painting is entitled, “Wyoming Memories.”

“When your livelihood depends on the weather, you look to the sky to see what kind of day you’re going to have,” according to this former Wyoming rancher.

Sheryl Hutchings also chose a painting which was inspired by a weather-related view of a big sky. *“Ominous”* is the title of this watercolor pour. Sheryl says, “You know when a big possibly dangerous storm is gathering on Colorado’s eastern plains when you see this kind of beautiful but ominous array of colors in the western sky.”

“Another Storm Headed Our Way” is a watercolor painting based on a photo Karen Sorensen took. Karen said, “With so many thunderstorms hitting our area this past month, I thought this was the best subject for our theme “Big Skies.”

Pat Marden’s choice also depicts a stormy Colorado sky. “Spring Rain” is a watercolor painting which reminds her of the storms we get in Colorado every spring.

Roxanne O’Rourke chose one of her oil paintings of a seascape, rather than a typical Colorado sky scene. She entitled it *“Splendid Sky”* and reports that it was completed with much TLC.

One of our newest members, *Linda Ault*, shared an acrylic painting of Norwegian Nisse, a Santa Claus-like figure, who is pictured against a blue sky. She calls the painting *“Winter Sky”* and reports that “visiting Norway, Sweden, and Denmark numerous times has instilled a fondness for various forms of folk painting. Painting different Santas has been intriguing and fun!”

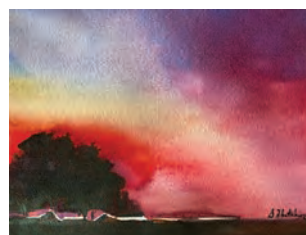

All these paintings can be seen in person in the craft room during the month of July, and most are for sale. If you see something you like, just contact Sheryl Hutchings at sahutch@me.com and she will connect you with the artist.

Women's Golf Association *by Sandi Miyaki*

Our long anticipated WGA 2023 Member Guest event is coming soon for 2 days of events. Scheduled for July 17 & 18, this year the theme is Around the World in 18 Holes, with each hole sponsor featuring country themed surprises for the players on each of the tee boxes. Participants are encouraged to represent their favorite countries with their carts and attire.

Committee members have been working hard soliciting sponsors to add surprises to the event for Gold Silver and Bronze levels, as prizes for the lucky players. Companies and individuals are welcome to donate Baskets or Gifts for raffle prizes. There will be contest holes available as well.

On Monday the 17th, starting at 4PM, the committee designed a series of contests and silly games, along with raffle prizes, and drawings for the participants. Then on Tuesday, there will be breakfast items available for the players to get a great start on the day. The day long event will culminate in a terrific luncheon, and announcing the winners for each of the flights.

This event is open to all members of the WGA and their invited guests. Registration forms were emailed to the league and must be received by July 3rd, act fast!

Speaking of prizes, in case you've not heard the EXCITING NEWS, on May 15th, during WGA League Play, Vickie Dycewicz got a Hole-in-One on #15. Party on the Patio was the WGA lunch event that day!

GOLF CART SAFETY REMINDERS

Carts may be operated by anyone sixteen (16) years of age or older, providing that person has a valid driver's license. Please ensure that no one under 16 years of age is operating a golf cart.

Children under six (6) years of age are NOT permitted to ride on carts.

Golfers, please be careful when entering the street from the golf cart paths. Drivers, please look out for golf carts on the streets.

Thank you for your attention to this very important safety matter. Safety is our #1 priority!

Ladies 9-Hole Golf Subcommittee *by Mary Scherr*

Our league was off to a great start with a large turnout for our season opening scramble and brunch on May 18th. Many of our new members came out to play partnered with their new "buddy". Even though it was "cart path only", no one allowed the conditions to keep us from enjoying the day.

Congratulations to the Winners:

1st place team with 38:

Amy Knowles, Cathy Moes, Mary Scherr, Melonie Ellis

2nd place team with 41:

Susan Mahlman, Jana Jacobs, Phyllis Matthews, Joyce Mannix

3rd place team with 42:

Roxanne Hare, Judy Peck, Sally McQuarrie, Pamala McNerrey

4th place team with 43:

Debra Poole, Carol Brust, Sue Evans, Linda Bledsoe

Thanks to all the staff for making the scramble a great success, especially our pros, Jason Franke and Craig Hatch.

On May 31st, a large group of HEB women golfers turned out for a fun and informative rules seminar by Sandy Schnitzer, a Golf Rules Volunteer with the Colorado Golf Association. Comments from attendees ranged from "very informative" to "fantastic". The title said it all: "Unmasking the Rules of Golf". In other words, how do we use the rules to give us the best advantage in our game? **Yes, we learned, you do have choices!**

June was the rainiest ever!

Thank you, El Nino! It forced some golf cancellations including the exchange with Spring Valley, but not the swing clinics with Craig!

The few sunny days brought out the avid golfers, even on "golf path only" days.

**LOOKING FORWARD
TO A DRIER JULY.**

COME JOIN US!

Bocce by Cathy Murtha

It is hard to believe that we have reached the halfway point of Spring Bocce. This season has been a huge success with participants at record levels.

Sunday night Team Bocce now has 6 full teams to play and the action on the courts on Sunday nights is electric. Mike did a wonderful job of organizing this new league. The ability of players to cheer on their teammates and assist each other in strategy is an amazing thing to watch and be a part of.

For the second year in a row, the Thursday night Traditional Bocce league has been a success. We have 8 sets of pairs to compete with each other with a mix of seasoned veterans and fairly new players which makes for quite the combination of ability and strategy. It is a wonderful league to hone your Bocce skills and learn from those seasoned players.

We had overwhelming numbers of registrants for the Tuesday PM Pairs league, but with some movement by players to other leagues and the flexibility of competitors it appears that things have worked out, and barring our unpredictable Spring weather, all leagues will be a success!

The first of three tournaments began with the Men's Tournament played on June 24th. We will have winners of this event in the weekly Friday Eblasts.

As always, I encourage you to come down to the Courts and watch the games, our competitors are a great group of people!

If you would like to reserve the courts during off league times, please contact MaryJo Collins at 303-810-1725 or email to big_strong_woman@yahoo.com

Monday Night Fun Group

Monday Night Fun Group (MFG) is off to a great start for the year. We play a 9 hole scramble, and we select one hole each week for an interesting challenge, kind of our way of reminding everyone this a Fun Golf Group not competitive. We do have winners, but more of the fun variety.

For all of our new residents to Heritage Eagle Bend (HEB), Monday Night Fun Group starts play at 5:00 each Monday evening. We play a 9 hole 4 person team scramble, and have a buffet dinner after. There are no on-going commitments, play when you can, and eat after if you wish. Obviously, you pay for golf and dinner, and some of us have been known to enjoy a cocktail or so. We tack on a \$3 per person fee, to be used for various prizes at the end of the evening. Prizes typically include winning team under par, winning team over par drawn from the hat (there are lots of us), closest to the pin on a given hole, longest putt, and the remaining funds drawn from the hat for Just Because. Chances of winning are pretty good.

Most of us have lots of fun and enjoy the chance to meet peeps like us. Join our group and just maybe you will meet some people as cool as you.

Tennis Club by David Peck

The end of May and first of June have been exceptionally wet this year. Therefore our tennis play has been sporadic. However when the weather permits we have had a good turnout. Often both courts have been full with a few extra players. Karen Wadleigh has done a great job of organizing the Monday morning women's group. They also often fill both courts. An attempt was made to start the Thursday evening mixed doubles group but the first session was rained out. The response was very positive so we expect Thursday evenings to start as soon as the rain stops. The days are getting longer so the evening play is always very pleasant.

The ball machine has encountered some technical problems. Ed Grose has volunteered to work on it and hopefully get it operational again soon. I will notify the tennis group by email as soon as this is available again. It is a great practice tool when no other players are available. The courts are scheduled for play on Saturday morning, Monday morning, Tuesday morning and Thursday evenings. All other times they are available to HEB residents and their guests. We encourage anyone who wants to play doubles on a weekly basis to join us on the scheduled days. I can get you on the email and Whatsapp app for notification. Annual dues are \$10. We currently have 33 members on the email list for all tennis notifications. Of those 33 players we have collected dues from 18 members. I would like to start planning a summer social event for our members. Our treasury balance will help determine what we can plan. Additionally we may need to budget some money for the ball machine replacement or repair. You can leave the dues at the front desk with your name and HEB tennis written on the envelope.

When the rain stops and the courts are dry again we will be out on the tennis courts on a regular basis. June, July, August and September are great times to be outside playing tennis. If it gets too hot we can move our start times up earlier. Contact me if you or anyone you know loves to play tennis.

Thursday Morning Ladies Golf Group

by Cynthia Hungerford

Hey Ladies, Spring is right around the corner and soon we'll be hitting the links for the 2023 season!

Have you heard about the Thursday Morning Ladies Group?

If not, here's the scoop: This is an opportunity for the lady golfers who live in HEB to get together each week for a fun, fast and friendly round of golf with other HEB gals. It's a great way to play with your friends or meet new players.

We play each Thursday morning from mid-April through late October, depending on the weather. **There are no additional fees, only your green fees are required, and players are under no obligation to play each week.** Tee times are allocated to the group by the Pro Shop and we usually start around 8:00am, depending on the time of year.

An invitation to play is emailed to everyone in the group 10 days prior to the play date. Interested players have 3 days to respond and the pairings are sent out 6 days before the scheduled date. Then all you have to do is show up, pay your green fees, play golf, and have fun!

If you would like to be included on the email list, send your name, phone, and your average 18-hole score (or handicap) to ThursdayLadiesGroup@gmail.com.

Men's Golf Association

by Larry Cotter MGA Chair

Eight inches of rain in May, and as I write this we have had two inches in early June, can you believe it! Mother Nature is really working hard to give our course the nourishment it really needs and has rewarded us with outstanding conditions. But it has also made the rough (HEB VELCRO) a real bear to negotiate. Last year we lost 4 weeks of play in the spring to weather while we have been lucky and able to play most Wednesdays this spring (yeah I know we have had "SOME" wind and moisture).

Your Leadership Committee has worked hard to make your 2023 MGA experience enjoyable and so far we see positive results. It's great to see everyone out playing enjoying our great course and playing with old and new friends. In addition to the enjoyable weekly events on our schedule it's great to see everyone in the Antero Room after golf enjoying a cold refreshing beverage (your dues at work), lunch and watching the day's results trickling in on the big screen. *Special kudos go out to the Eagles Nest crew for the outstanding job providing us with a great variety of lunch specials.*

Golf Shop Corner

Summer is in full swing, finally!! What an exciting month we have coming up for golf! Marty and his team have done a tremendous job with the course and everything is playing great!

August 5th and 6th :

HEB Club Championships (Men & Women) – Open to all residents with a handicap!

Just a friendly reminder, please remember to always practice proper cart and course etiquette. Carts should never be closer than 30 feet to the greens, even with handicap flags and they should remain on the cart paths on all Par 3's.

If you haven't visited the Golf Shop recently, please stop by to see some of our new merchandise! Remember that HEB residents always get 30% off all apparel, 10% off shoes and 15% off all accessories.

Thank you all for your support of the Heritage Eagle Bend Golf Operations. If you need anything or have questions or concerns, please contact Jason Franke at (303) 400-6700 or jfranke@heritageeaglebend.com.

By the time you read this the Member/Member will be done and we should be in our tenth week of our 22 event season with a lot of events and great competition and fun ahead.

Remember if you have any questions, comments or just want to get to know your leadership committee we hang out on the golf shop patio each Wednesday prior to everyone heading out to our assigned holes.

It is the goal of the MGA to leave the course in better shape than we found it. In order to keep our great course in outstanding condition here is the next in our series of monthly challenges. These are simple challenges that take little time and effort but go a long way to help keep our course the outstanding gem that we have right here in our own community.

COMMERCIAL & REALTOR SIGNS

As a reminder, no commercial signs are permitted in the community. Please make sure your contractors and vendors are aware of this and are not placing signs in your yard or throughout the community. If your vendor is wanting to place signs, please let them know they can advertise in our HEB monthly magazine and to please contact 720-235-1831 or jwyatt@heritageeaglebend.com for Ad information.

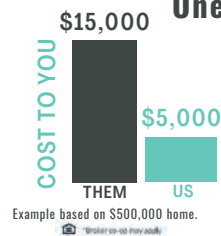

For realtor signs, please make sure your realtor is aware that only the small metal "H frame" signs are permitted in HEB. Large hanging arm signs are not permitted and we will ask that they be removed. All Realtor signs must be placed parallel and up close to the home. If you or your realtor have any questions regarding signs, please contact 720-235-1827 or agulley@heritageeaglebend.com.

Thank you for your understanding!
