## President's Message

by Rick Matteson, President of Master Board

Our golf season finally is fully underway after what seemed like a long winter and then uncooperative spring weather that caused the course to endure a lot of short open/closed cycles.

Planning for replacement of the golf course irrigation system, which currently is scheduled for the 2026-2027 timeframe, also is well underway:

- Last fall, we contracted with iConGolf for overall design work. As the City of Aurora's current water restrictions indicate, water conservation is going to be a critical requirement and increasing necessity in future years. We currently irrigate more than 100 acres of fairways, greens, tees and rough; we expect iConGolf will identify areas where we can eliminate irrigation by reducing the playing surface. The firm also will focus on improving our bunkers and tee boxes. The proposed design will be shared with the community for input.
- The first step in that work will be preparing a detailed topographic contour map of the course. This will be done using a fixed-wing drone that will overfly the course for about five hours at a height of 200-400 feet. We will notify residents when that is scheduled.
- Next, the United States Golf Association will use its GPS tracking service to identify areas of high and low golfer traffic, and pinpoint where golfers hit from the most. More details will be available when this is scheduled, but basically golfers are asked to carry a device that tracks them along the course. Data is collected over two, three-day periods.
- The Board expects soon to hire a firm to design the irrigation system. To maintain our commitment to transparency with the irrigation project, and as we did with iConGolf, the contract will be approved at a Board meeting.
- The final and most expensive part of the overall project will be hiring a contractor for the actual installation work, and to work on bunkers and tees. It's uncertain how far in advance those firms are willing to commit to a contract, but we expect to begin exploring that phase next year. We feel that iConGolf and the company selected to design the irrigation system will be able to provide reasonably reliable estimates for the installation cost.

## General Manager's Message by Gene Blum

Another summer is upon us, and I have never been more excited about everything that is happening at the club and in the community. Congratulations to the three board members who were re-elected for new terms on our Master Board. We look forward to another great year of collaboration ahead. As you know, we have just started a sidewalk repair project and I want to thank you for your patience as we continue to make improvements in your community. It truly is amazing all of the improvements we have made throughout the years, and it is my pleasure to continue to make HEBGC Colorado's premier 55+ community.

An eventful summer is in full swing at the Club! On June 7th, we bring back our Pink Patio Party, with a wonderful selection of rose wines that our kitchen has come up with perfect pairings for. As you know, our DJ at the Pool events at the outside pool are very popular and they will continue into the summer, with the next one on June 16th. We are very excited to bring another wine experience in the month of June, with our Archery Summit Wine Dinner on the 20th.

Speaking of events, please don't forget to contact us about booking your next district party, social event, reception or get-together. The calendar is filling up fast and we can't wait to show off everything your club has to offer with great food and great service at your next function. In July, we will hold our signature member-guest tournament, the Golden Eagle Classic. Sign-ups started at the beginning of this month, and we expect a full field, so don't miss out showing off our great course and club in 2023.

I want to give a warm welcome to all of our new residents. Home sales in the Community continue to flourish and it's really fun to see all the new faces moving in and we look forward to meeting you. The summer is a busy time at HEBGC. The weather is beautiful, golf is in full swing, and we continue to enjoy sharing with you all the experiences the club has to offer.

.....

*Congratulations  
to our General Manager, Gene Blum,  
for 10 years of service at HEB!  
Thank you Gene!*

## Traditions Talking by Traditions Eagle Bend Board Members

### FINANCIALS

The operating results (subject to audit) for year-to-date April 2023 are complete. The net result is an excess of \$59,637 versus a budgeted surplus of \$55,984. This month our communal water expense underran budget because the system was not turned on in April. For April 2023 reserve net income shows an excess of \$83,690 vs budgeted surplus of \$84,108. Starting with this month we will now be showing our Bank Balances and yield for our Working Capital and Reserve Fund.

### DROUGHT MANDATE AND TREE/SHRUB REPLACEMENT

This was sent in an Eblast on April 30, 2023.

"You have received information in the mail from the City of Aurora Water Department regarding the drought and restrictions for water during Phase 1. Eblasts have also been sent to the whole community by the Master Association and by the Traditions Board."

If you call the hotline to get on the TEB tree and shrub removal/replacement list, you will be told the following:

"Before we spend \$ to replace your tree/shrub, you should know that it will be your responsibility to water the plant/tree including the winter months. If the plant dies due to water neglect, TEB will not replace it."

In October 2023, two Traditions Board terms will expire. We are asking homeowners to step up and run for the Board. If you have an interest in volunteering for your community as secretary or director in charge of snow, please call or email one of your current board members to find out how your skills would benefit the Traditions community. We'd also like to add a sixth or seventh member to our board to assist in all areas of our community.

One current director will return, and an appointed director will run for the Board.

The best Board members put the community first and seek to ensure the viability of TEB. **We need you!**

**J**une, we have been busy! Two roofs were replaced, 51 homes on the North side are being painted, the new landscape company has begun and we have reduced our water consumption. We are working with both Traditions and the Master to stay within compliance. We will not turn on the drip system this year.

We WILL have BROWN grass throughout the Villages, especially if it is hot and dry. You can water your grass if you choose, please water before 10 a.m. Watering in the morning reduces the risk of fungus, slugs and other garden pests.

As we are now regularly running the sprinkler system, please call the HotLine if you notice any leaks!!!

## RV'S !!!!

Many who do not have RV's want to know what the restrictions are and those that do have RV's want to know what they should be doing. We ask all RV owners to be mindful that you can only park in front of your home for 48 hours. Also, RV's can be parked with a permit at the Clubhouse parking lot for 48 hours. Please contact the Welcome Desk for a permit.

This is allowed for quick turn-arounds, not for any type of permanent parking. As most realize, there isn't much room in front of homes and it can be an inconvenience for your neighbors if you leave them beyond the 48 hours.

On the other hand, the rules and regulations do allow RV's to park in front of homes and in the Clubhouse parking lot for resident convenience. Many of our residents enjoy RVing and we appreciate everyone being respectful of the 48 hour time frames for loading, unloading, de-winterizing and winterizing your RV's.

## REALTORS AND PROSPECTIVE RESIDENTS

This is a vigorous but fun class that uses water weights to exercise and strengthen the core as well as every joint and muscle in the body. There is a supply of weights at the pool for you to use. Because of classes back to back in the pool it is easier to come with your suit on rather than trying to change before class. We have class in the outdoor pool after Memorial Day. Call Linda Rydberg with questions 303-770-6939.

**Tuesday and Thursday 9:00 am - 10:00 am** led by Lynda Shirk 303-406-8525

The early bird gets the pool. Please feel to join us for an early session of "Aquacise". Classes are held Monday-Friday at 8:00 - 9:00. We utilize the outdoor pool when it is available. Otherwise, we hold our sessions inside. Classes begin and end with full-body stretching followed by main body exercise consisting of isotonic, isometric, and cardio exercises. Bring your water weights or utilize the clubs. Sessions are led by HEB resident, Stu Joyce.

## Monday, Wednesday and Friday 9:00 - 10:00 am

Come join the fun and get a full body aerobic workout at the same time. We've also added some extra noodle exercises to our routine. We have three different leaders - Paula Peterson, Rita Stansberry & Susan Havel. For a little more socializing, we meet for breakfast once a month in the Eagle's Nest. ## Waterwise Landscaping

With the watering restrictions in place by the city of Aurora, many homeowners are looking into alternatives for their homes' landscaping. This could be a great way to reduce water and is strongly encouraged by the City of Aurora. The city is offering rebates through their GRIP (grass reduction incentive program) program if, or when, you install water wise landscaping. Please contact the city of Aurora for more information or go to their website at [https://www.auroragov.org/residents/water/rebates/water-wise-landscape\\_rebate](https://www.auroragov.org/residents/water/rebates/water-wise-landscape_rebate). The city is a great resource and can also help assist you with coming up with your new landscaping design. Please make sure to read through HEB's Resident Improvement Guidelines for more information on xeriscaping your property. A copy of our 'RIGs' can be found by logging into the resident only side of the website, selecting HOA/then Committee Reports/then select Architectural Submittal/AAC.

As a reminder, ALL exterior improvements require advanced approval before starting any work. This includes, but is not limited to paint, roofs, decks, awnings, railings, landscape, fountains, hot tubs, patios, concrete projects, and all fencing. Please contact the Administration Building at 303-235-1888 or Jillian Wyatt at [jwyatt@heritageeaglebend.com](mailto:jwyatt@heritageeaglebend.com) for AAC forms and more information.

We thank you in advance for all your hard work in keeping your home and our community a wonderful place to live!

## Billiard's Club News

by Marty Patten

SUMMERTIME, and the pool playing is easy!! Why not enjoy the air conditioning in the HEB clubhouse and come join us in playing pool on Monday and Thursday afternoons in the HEB Billiards room? Get out of the house and come join us. Many current Billiards Club members continue to play pool every week, so come on over!! We would really like to expand our membership and start having various competitions again. Please join us in play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play, for billiards club members, are currently Monday and Thursday afternoons from 1 to 5 pm. We can have 8 or more players at a time in the Billiards Room, so we can have members playing on both pool tables, with 4 at a time playing on each table. We can also schedule additional days and times or even evening times if there is enough interest. If we can get more participation and enough interest, we would again like to host pool tournaments and playoffs.

If you would like to join the Billiards Club, dues are currently \$10/year, but remain suspended for all members until we resume full normal operations. Women are also encouraged to join and in the past there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

## Busy Bloomers Garden Committee

**P**hotos of our tour through Nicks Garden Center taken during our April Field trip. Our guide Colette informed us about container gardens for our porch or deck. She explained the importance of good soil, fertilizer, moisture granules, and plant selections for our pots. They have a wonderful display of plants and decorative pots, so many colors and sizes. The pansies were in full bloom along with the geraniums, so many choices of plants for your container garden. The group enjoyed lunch at Rosie's Diner. On May 22nd (a later date than usual) we met at the Clubhouse to make many arrangements led by Kate McTigue for an assisted living community and our Clubhouse.

Our June meeting will be a field trip meeting at the Clubhouse parking lot at 9:00 a.m. to form carpools. We will tour the rose gardens at Fairmount Cemetery. There is a \$10 charge to take the tour through the Gardens please make (**check only**) payable to Busy Bloomers. There is an envelope at the Clubhouse front desk for payment.

Big thank you to Kate McTigue and other members that took their time to weed out our front circle garden at the Clubhouse.

Just a reminder that our membership renewal starts June 1st. You may pay for the membership at the May meeting or leave a check only (no cash) at the front desk in our envelope for Busy Bloomers.

*For more information on joining our Club, please contact [marycomeau@aol.com](mailto:marycomeau@aol.com) or at [marycomeau@aol.com](mailto:marycomeau@aol.com)*

## There Is a Time for Everything and a Season for Every Activity Under the Heavens

by Sheryl Hutchings

As we transition from springtime into the summer months, "Seasonal Scenes" is the theme our group chose for this month's newsletter. The paintings submitted demonstrate "painterly" feelings about the various seasons of the year.

"Floating Downstream" is a watercolor work by Elaine Tsumura, who produced a painting reflecting all four seasons. She describes her painting by saying, "In Colorado, leaves are one of the primary indicators of the changing seasons. In the Spring, they are emerging buds, in Summer, they become vibrant green, in Fall, they display beautiful warm colors and in Winter, they are dried and decomposing."

Alaine Lessing's "Ten-in-One" is an abstract watercolor depiction of her Wyoming ranch. "I combined favorite aspects of six pastures plus four seasons to create a 'memory postcard' of ranching years."

All four seasons are also depicted in Lynn Kowalski's work entitled "Red Apple Tree in Seasons." Lynn reports that she was "inspired to do this little painting by a needlepoint I once saw at an antique store. I love the simplicity of the trees and how they show the changes in the seasons!"

Carol Taylor chose to share her watercolor entitled "Spring" which pictures brightly colored kites flying on a breezy spring day.

A watercolor painting by Karen Sorenson includes spring grape hyacinths, a favorite of hers for their color and smell, as well as dianthus and daisies. Karon has titled it "A Vase of Spring Flowers," and says she enjoys painting many different types of flowers.

"Exploding Color" is a watercolor embellished with ink by Christina Davis who described what led her to paint it. "When I visited my sister in Texas, she took me to the Dallas Arboretum and Botanic Garden, and I was blown away by the stunning display of all the spring flowers placed among the trees and winding paths of the gardens. I was so inspired by the amazing colors of the gardens, I wanted to see if I could capture the scene with my watercolors."

Roxanne O'Rourke was also in a spring frame of mind. Her painting, "Ethereal Tulips" is, according to her, "another example of beginning a watercolor painting by pouring streams of paint and inks across the paper, then spraying and maneuvering the paint. You can also 'charge' certain areas to intensify the colors. I saw tulips forming in this one and went with it!"

Pat Powell submitted "Spring Rush" a watercolor depicting the splendor of spring. Pat says, "After a long, hard winter, it was a delight to focus on new growth and vibrant colors."

"Nebraska Schoolhouse" by Cindy Tinkham Shepherd depicted the summer season in the midwestern plains, showing, "those hot windy days in summer that just feel like everything is just too much effort."

Sheryl Hutchings, who sent in "Fly Fishing Female" commented, "Although this last winter did seem a bit brutal, I do still love all the changing seasons in my native Colorado. That said, summer and autumn are, I think, my favorites. This watercolor painting of a female fly fisher, set against the backdrop of a late summer or early fall scene, is really a painting of a wish ... how I wish I could still go fishing!"

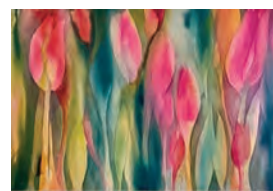

Pat Marden shared a winter scene entitled "Winter Window" that captures fond memories. "We love to visit the old, Red Lion Inn, in Stockbridge, MA during the Christmas season. We always stay in the same room, and one afternoon I was fascinated by the ice that had formed on one of the windows. I also love the old-fashioned wallpaper. This painting provides great winter memories."

### Stay Up to Date and Informed by Visiting CAL's Website...[calheb.org](http://calheb.org)

by Sheryl Hutchings, CAL Chair and Publicity Lead

**D**id you know that you can easily access almost everything you need to know about the Center for Active Learning program by simply visiting our public domain website?

That's right...just type in [calheb.org](http://calheb.org) into any web browser and you will find it! The Home Page of the site includes an easy-to-navigate menu which allows you to explore the various pages contained in the site:

- a CourseStorm Page which provides a quick and easy direct link to the registration program used for class enrollment at the beginning of each new term.
- a Classes Page showing the classes being offered during the current term, including who is teaching each, when, where, at what time, for how long, and beginning and end dates.
- a Registration Page providing all the specific details of our registration procedure.
- a special events page that features the latest happenings. At present, the special events page is titled British Coronations Slide Show and it features 44 pictures taken at the celebratory tea party that was part of the final class on British Coronations hosted by Tony and Delia Yates.
- a "More" option which reveals a drop-down menu to other pages: Coming Events, a Course Proposal form, a Contact Information page for CAL Lead Team Members, and pages for information provided by class facilitators, such as class syllabi.

The site is updated monthly, and other pages can and will be added to the website as needed. In the future, hopefully in the upcoming Fall Term, a convenient electronic evaluation form

will be an option that can be used by class participants instead of the hard copy class evaluation form traditionally used at the conclusion of classes. The electronic version will be easily accessible online so that we can reduce the amount of paper used in this administrative task.

As we develop our ability to utilize Zoom in various classes in the future, instructions on how to join and participate in a class via Zoom will likely be spelled out on a website page. In the hugely popular Spring Term class on British coronations, the Zoom component was tested out and it proved to be highly successful, with only a few glitches needing to be addressed.

We hope that you will find the website helpful and easy to use. No more logging into the HEB website and then logging into the Resident Log In and then navigating to the CAL info blurb to find out the basics about CAL. No more waiting for the weekly Friday eBlast or the monthly CAL article in the community newsletter to get timely info and general information about CAL. Just go online and visit [calheb.org](http://calheb.org) any time at your convenience to find out the who, what, when, where, why, and how about CAL!

**Calheb.org.** Check it out when you have a chance. We think it will be something you want to bookmark or put in your favorites list!

### Dinner-for-Six, Summer/Fall session

*It's time.... Our community-wide dinner-for-six group has been a huge success with close to 80 households participating. Sign-ups have begun for the July – October 2023 session. WELCOME BACK, SNOWBIRDS. We hope many of you will join in the fun!*

You will be placed into a group of six residents. Your group will have four months for scheduling **three** dinner parties. If you are able to schedule within a shorter time frame, that works too. Groups will be assigned in late June 2023. There are two options for enrollment:

1. Be assigned to a **regular** group of six; or
2. Enroll as a **substitute** to be called on when there's a vacancy.

**Here's how it works:** Each group of six will schedule three dinner parties, with one couple or grouping of singles hosting ONE dinner. These are NOT meant to be gourmet, razzle/dazzle dinners. Easy menus, cookouts or even take-out are all acceptable. The others will fill in with appetizer, salad or dessert – whatever the host requests. The focus is on new relationships in the comfort of our own homes.

If you would like to participate in the Summer/Fall schedule, please send an e-mail to: [Junegoddardcolorado@gmail.com](mailto:Junegoddardcolorado@gmail.com). Please include your name, address, cell phone, e-mail address, district number and whether you are enrolling to be part of a group or enrolling as a substitute.

This is a great opportunity for many of our new residents to jump in to meet new neighbors. **THIS ACTIVITY IS OPEN TO THE ENTIRE COMMUNITY, SINGLES OR COUPLES.**

## Thursday Morning Ladies Golf Group

by Cynthia Hungerford

**H**ey Ladies, Spring is right around the corner and soon we'll be hitting the links for the 2023 season!

**Have you heard about the Thursday Morning Ladies Group? If not, here's the scoop:** This is an opportunity for the lady golfers who live in HEB to get together each week for a fun, fast and friendly round of golf with other HEB gals. It's a great way to play with your friends or meet new players.

We play each Thursday morning from mid-April through late October, depending on the weather. **There are no additional fees, only your green fees are required, and players are under no obligation to play each week.** Tee times are allocated to the group by the Pro Shop and we usually start around 8:00am, depending on the time of year.

An invitation to play is emailed to everyone in the group 10 days prior to the play date. Interested players have 3 days to respond and the pairings are sent out 6 days before the scheduled date. Then all you have to do is show up, pay your green fees, play golf, and have fun!

If you would like to be included on the email list, send your name, phone, and your average 18-hole score (or handicap) to [ThursdayLadiesGroup@gmail.com](mailto:ThursdayLadiesGroup@gmail.com).

## Tennis Club by David Peck

**T**he HEB tennis club has been active this spring. We have been playing on Saturday and Tuesday mornings when the weather permits. We have a core group who are usually available to play. Frank Renosky recently moved into HEB and has been a great addition to our Saturday and Tuesday group. We welcome any new HEB residents and their guest to join our doubles groups. With Karen Wadleigh leadership, the women have been playing doubles on Monday mornings. We plan to start the Thursday mixed doubles on Thursday's in May. The mixed doubles has always been fun and enjoyable for those of us who play. This gives us opportunity to play at least 3 times a week.

We have several names on the email list who have not responded to the invitations to play or paid their annual dues. Most members who have been playing have paid their \$10 dues. If you have not paid your annual dues, please do so soon. Members can pay their dues in cash to me or Ed Grose. It can also be left at the front desk with your name and HEB tennis club on the envelope. I will start removing names from the email list who have not responded and have not paid the annual dues yet. I will assume these people are no longer interested in tennis at HEB. If you are receiving my emails and want to be removed please reply to me and you will be removed. I appreciate the dedicated tennis players who regularly play. Thanks for your participation!

*The cold and snow are over and the weather is great. Contact me, David Peck, 913.579.3218, if you want to play tennis here at HEB.*

## Men's Golf Association by Larry Cotter MGA Chair

**CONGRATULATIONS TO FRANK POPISH  
FOR GETTING A HOLE-IN-ONE ONE HOLE 3  
DURING OUR MGA EVENT ON 10 MAY.  
WAY TO GO FRANK!**

The 2023 MGA season is off and running, knowing this time of year the Colorado weather is always a factor. The course is in great shape making for a very fun and promising 2023 season.

The spring banquet/business meeting was a big success with 100 members enjoying a great meal and a chance to get caught up with golfers we haven't seen since last fall. A special thanks to Jason for a great presentation on Golf Genius and a couple of local rules. It's amazing how much we forget about using the Golf Genius system from September to April so his refresher was greatly appreciated. We would also like to thank Marty Savage our new Director of Agronomy for introducing himself and giving us his thoughts on how he and his crew are working hard to keep our great gem of a course something we can all enjoy and be proud of.

As of May 1st we have 135 members which is fewer than we have had at this time in past years but we still have a number of folks who have not returned from their winter residences. It's not too late to join the MGA if you want to have a good time playing golf with fellow HEB residents. We have members of all levels and play from the green, white and gold tee boxes with no handicap limitations.

Remember to sign up for the "Stroke Play Challenge" if you haven't already. We take the three best net scores from the four stroke play events for the challenge. You have until May 24th to sign up with a \$20 entry fee. Last year this fun contest paid out close to \$1700.00 across all three tee boxes (Gold, White and Green)

It is the goal of the MGA to leave the course in better shape than we found it. In order to keep our great course in outstanding condition here is the next in our series of monthly challenges. These are simple challenges that take little time and effort but go a long way to help keep our course the outstanding gem that we have right here in our own community.

### MGA CHALLENGE FOR THE MONTH OF JUNE

Finish each round with an empty sand bottle. PLEASE take a few seconds in the fairway and fill a couple of divots.

If we each took a few seconds we would not be stuck hitting from one of those dreaded divots.

## Women's Golf Association *by Sandi Miyaki*

On a chilly but dry April 25 morning our 2023 WGA kicked off the new season with a 9 Hole Shamble, followed by a terrific luncheon reminiscent of the Masters Tournament! We enjoyed Tea Sandwiches including Cucumber and Dill Cream Cheese, Pimento Cheese, Chicken Salad, Strawberry Fields Salad, served alongside baked potato soup, and a variety of tasty desserts!

We're looking forward to another season of fun, competition, and a terrific Member Guest – Around the World in 18 Holes! It's not too late to join us.

Our members raised \$165.00 at the luncheon to purchase another stand up greens ball mark fixer tool for the HEB Course volunteer maintenance arsenal!

## Tuesday Morning Ladies 18 Hole League *by Sue Matteson*

What a great group of ladies and wonderful food we had at our league Kick Off Breakfast on April 25. It gave us a chance to get reacquainted with our league members and get our season off to a great start.

Another great start was getting to golf on the opening day of league play. That doesn't happen very often. It was pretty windy, but we got out there and did the full 18 holes.

In June, we will have our member/ guest outing. Patty Taylor and committee are organizing "Golfing in Margaritaville." They are putting together a fun 18 with games and prizes and a buffet lunch (with margaritas available) after our round.

After our yucky winter weather, we are all happy to be back in the sunshine with the wonderful women on our league, having some fun and, maybe, playing some good golf!! Let's hope the good weather continues.

## Ladies 9-Hole Golf Subcommittee *by Mary Scherr*

It's time to plan for our annual Friendship Day, June 29th! This year our theme is "Queen of the Green" so invite a friend and plan your team's royal dress and/or cart decorations. The day will begin with a team scramble and fun games, followed by a lunch fit for a queen, and prizes to the winning teams. It will be a "royal" day that you don't want to miss!

Our membership chair, Chris Holliday, reports a record number of members this year- 65 total with 18 new to the league. It is never too late to join the Ladies' 9-Hole League. If interested, contact Chris at 330-321-5922. The Ladies 9-hole league plays every Thursday with tee times starting at 7:30 and games are finished in time to enjoy breakfast with your foursome in the Eagle's Nest.

All the new members are part of our buddy program. Each new member has a returning member assigned as a buddy to introduce her to the league rules, the course, and other members of the league. Thanks to Jan Wright for organizing the assignments and to Craig Hatch for guaranteeing the pairs are assigned the same tee time each week.

The League Handbook is completed, and each member has been sent a digital copy. The handbook includes a description of HEBGC local rules, our league's local rules and procedures, the 2023 schedule, and a membership directory. If you need a printed copy, contact Liz Folk, Communications Coordinator, 301-404-2706.

The 2023 schedule is completed including the 5 exchange playdates. The first is at Spring Valley on Monday, June 12th followed by Aurora Hills, Monday, June 26th; Red Hawk, Wednesday, July 12th; HEBGC, Thursday, August 10th; and Lone Tree, Tuesday, August 29th. The exchange program gives our members an opportunity to play at 5 other courses and to meet other ladies from different leagues.

**LET'S PAR-TEE!**

## EBGA

Here is the date, game, tee time and meal for our second event.

All participants must have a current USGA Handicap Index.

Teams will consist of one male and one female golfer.

For all EBGA events handicaps will be capped at 40.4 index.

Ladies will play from the green tee boxes.

Men will have the option to either play the gold or white tees, (handicaps will be adjusted).

Golf Genius is very easy to use and anyone in the Pro Shop or other golfers can assist you in how it works if you are not familiar. You only need to make sure you have a cell phone with you.

*Membership fee is \$15/person (\$30 per couple)-cash only please, which covers the admin fee and hole-in-one insurance.*

If you were not able to sign up at Back to Golf Night, other options would be to sign up and pay in the Pro Shop or you can pay at the first event you play in. There is a \$5.00 buy in per person at the start of every event.

Please remember to get your proof of cart insurance into the Pro Shop to use your own cart.
