President's Message

by Rick Matteson, President of Master Board

Happy New Year.

I hope each of you has enjoyed a wonderful holiday season.

Heritage Eagle Bend once again has been named HOA of the Year by the Rocky Mountain Chapter of the Community Associations Institute. The CAI is the country's premier organization for community association management and governance professionals. This is the second time in three years, and the third in nine, that our community has earned this honor.

This award acknowledges what we already know – that HEB is a special place to live. The award also recognizes the many things that make this such a great community: the large number of residents who are involved in our many clubs, groups and activities; those who volunteer to serve their fellow residents on committees and as delegates; a Board of Directors focused on sustaining our strong financial condition; and General Manager Gene Blum and his staff, along with all of the employees who keep HEB and our facilities running smoothly and efficiently day-to-day.

Congratulations to everyone, and thank you for your participation, contributions and support.

As we told you during the 2024 budget process, planning is well underway for replacement of our golf course's aging irrigation system and repair of the bunkers and tee boxes. As promised, we will share the plan with you in a community meeting. Todd Schoeder, the course designer we have hired, will be present to explain the planned work.

The meeting is scheduled for January 11. Meeting details will be communicated by eblast when finalized.

General Manager's Message by Gene Blum

What a remarkable holiday season we experienced in December, with over 50 banquets and parties filling the Clubhouse with joy and excitement. It was wonderful to see all the families during our Brunch with Santa and it was fun to see how big some of the kids have gotten from last year. The annual Resident Holiday Party was another success, selling out in record time. At the party, residents applauded with gratitude to the dedicated staff for all their hard work – an incredibly moving moment. Wrapping up the festivities, we welcomed 2024 with our signature New Year's Celebration, complete with food, dancing, and music.

December alone saw us serving thousands of guests, with the staff putting in long hours and extraordinary effort to deliver the high-quality service expected at HEBGC. I want to extend my personal thanks to the staff for their dedication and encourage you to express your appreciation when visiting the Clubhouse and the Eagle's Nest Restaurant. Their commitment to excellence is truly amazing.

As we step into 2024, HEBGC promises another exciting year, with our beautiful Clubhouse already bustling with booked events. The fact that many of these events come from repeat clients, who promptly rebooked after their successful events last year, speaks volumes about the exceptional service we provide. We eagerly anticipate hosting weddings, banquets, seminars, and more, and it's been thrilling to see potential clients exploring our beautiful facility as they plan their future events.

A quick reminder regarding restaurant service: the Eagle's Nest Restaurant will continue to be closed on Mondays. However, the snack window and bar will remain open until 2 pm (during golf days). Restaurant service on Mondays will resume in April.

I am truly looking forward to all the exciting opportunities ahead for us in 2024 and I want to wish everyone a Happy New Year.

Happy New Year! 2024

WELCOME JORDAN!

My name is Jordan, and I'd like to quickly introduce myself! I'm originally from the Washington, DC area, but have lived most of my life in Colorado, where I'm always finding something new. I'm passionate about photography, martial arts, and music. I have always enjoyed working in customer service, so I am very happy to be here at HEBGC as your new Administrative Assistant! Everyone I have met has been so kind and welcoming, both residents and staff, and I hope to give that energy back to everyone as well. Feel free to come and say hello in the Admin Office, I'm so excited to meet all of you!

FINANCIALS

The operating results (subject to audit) for year-to-date November 2023 are complete. The net result is an excess of \$135,642 versus a budgeted excess of \$8,256. We have higher revenue due to the higher return on our investments and irrigation rebates from the City of Aurora. We also have lower expenses in communal water, landscape services and snow removal expenses. For November 2023 reserve net income shows a excess of \$10,032 vs budgeted deficiency of \$9,478. With one month left in the year it is still projected that we will be ending the year in a very positive financial position which will set us up for the start of 2024.

Village Voice by Myrla Marshall

I am writing this on December 7, 2023 and unfortunately I do not have ALL the details on Insurance. I do know that we have come in under \$350,000 we budgeted and we are going to be insured. The good news is since we will be under our budgeted amount, we will not need to approve a new budget!

All homeowners in the Biloxi/Buchanan area should have received an email regarding the painting that will take place in July of 2024. If you did not receive an email, please call the hotline and we will make sure we have the correct email.

We will review at the January work session the roofs to be replaced in the spring of 2024. The board continues to review the governing documents with legal counsel.

Our next work sessions are: January 23, February 27 and March 26th all work sessions will begin at 3:30 p.m. Please mark April 30th on your calendar for our next quarterly meeting starting at 5:00 p.m.

CONGRATULATIONS

HEBGC WAS SELECTED AS THE ASSOCIATION OF THE YEAR FOR 2023

BY THE COMMUNITY ASSOCIATION INSTITUTE — ROCKY MOUNTAIN CHAPTER

**A VERY SPECIAL THANK YOU
TO THE MASTER BOARD, COMMITTEE MEMBERS,
COMMUNITY VOLUNTEERS, STAFF AND RESIDENTS
FOR ALL THEY DO TO MAKE OUR COMMUNITY GREAT.**

PICTURED IS OUR HEBGC MASTER BOARD, GENERAL MANAGER GENE BLUM,
COMMUNITY MANAGER JILLIAN WYATT, AND MIKE CONNER FROM TROON
WITH THE AWARD AND PLAQUE FOR ASSOCIATION OF THE YEAR.

Traits of Good Board Members

Do you have what it takes to be a good board member? Chances are you do.

If you have a mix of some of the following traits and skills, consider running for a seat on the board. We'd love to have you.

RESPECT. If you can give others respect and expect it in return, you can help keep board discussions civil, productive and on point. We're looking for people who can lead by consensus, not by command.

GOOD LISTENING. People want to be heard. Can you listen to board members and residents with sincere interest? You may have a few ideas of your own, but everyone benefits by sharing and discussing.

THICK SKIN. Sometimes, residents—even other board members—can be mean and insulting. Are you good at turning a conversation around and finding out what's really bothering people?

EGOS ASIDE. If you can give others credit, the board will operate better as a team.

AGENDA ASIDE. Members who come to the board looking to help only themselves are a problem. A board is more productive when members don't have a personal punch list. Are you able to look after the community, not just your own interests? Are you willing to compromise?

SKILL. An association is a business. So having board members with accounting, organizational behavior and team building backgrounds can help. Someone with a financial background, for example, might make for a good treasurer.

The ideal board comprises a mix of management styles, professional skills and temperaments. If you know people with some of these traits or relevant skills, ask them if they'd be interested in joining the board. Some people don't think about running for a seat unless asked.

You don't have to know everything when you join, but you should be familiar with the governing documents and the responsibilities of the job. Fellow board members and managers can help you with the transition and train you on board responsibilities, current work, projects and hot issues.

Leaders can come from different places and backgrounds. There's no one mode that fits all. Share your knowledge and passion with the community.

If you're interested in running for the Master Board, please contact Jillian Wyatt at
JWyatt@heritageeaglebend.com

BLOOD DONORS STILL NEEDED

THE NEXT COMMUNITY BLOOD DRIVE WILL BE FRIDAY, FEBRUARY 23, 2024

Thinking of making some new resolutions in 2024? How about becoming a blood donor. We'll make it easy for you – right here in Heritage Eagle Bend in the comfort of our beautiful Clubhouse. Contact Junegoddardcolorado@gmail.com to ask questions or to make an appointment. Our first drive for 2024 will be held on Friday, February 23, 2024.

“Since the start of the pandemic, blood banks across the United States have been calling on eligible donors to come down and help stave off shortages. It's critical that blood banks have enough of a supply for local hospitals, which risk having to make hard choices about who receives immediate treatment and who must wait.

HOW MUCH BLOOD IS NEEDED IN THE UNITED STATES ON A DAILY BASIS?

The American Red Cross says that every two seconds, a person in the United States needs blood and/or platelets, making it vital to have a lot banked. Blood is needed for everything from surgeries to traumatic injuries to cancer and sickle cell disease treatments, with roughly 29,000 units of red blood cells, 5,000 units of platelets, and 6,500 units of plasma required on a daily basis. Blood and platelets cannot be made synthetically, making voluntary donations necessary.

WHY ARE THERE BLOOD SHORTAGES?

Every year, only 3% of Americans donate blood, and at the start of the COVID-19 pandemic, that number plummeted. Blood drives at schools and clubs were canceled and donor centers were closed, and because of staffing troubles and rising costs, things still haven't gone back to normal. In January 2022, the American Red Cross *declared its first-ever blood crisis*, after experiencing a 10% decline in the number of people donating.”

New Year Brings New Learning Opportunities and Plans for Structural Changes

by Sheryl Hutchings, CAL Chair and Publicity Lead

*"Celebrate endings—
for they precede new beginnings."*

—Jonathan Lockwood Huie

As we celebrate the end of 2023 and journey into 2024, CAL extends Happy New Year wishes to the entire HEB Community! We hope your holidays have been happy and that you are ready to enjoy a healthy, productive, and exciting new year!

CAL kicked off its new year at a very successful Winter 2024 Term Kickoff which took place on Tuesday, November 28, 2023, from 10:15 to 11 a.m. in the Antero Room. Fourteen class facilitators manned their stations to explain their various class offerings before registration opened for the entire community. If you weren't at the Kickoff, you missed your opportunity to mingle with your neighbors as well pick up a possible winning ticket for one of three \$25 HEB gift cards raffled off for free! Congratulations to the lucky winners!

Thanks to all of you who signed up to learn something new! A few classes filled up within an hour or two of registration's opening at 11 a.m., and all classes met their minimum seat requirements within the first 24 hours. Registration officially closed on December 5. You can visit CAL's dedicated website at www.calheb.org to view the complete schedule of classes if you have forgotten the time, place, and day of the class or classes for which you registered, or if you are wondering what learning opportunities you missed out on.

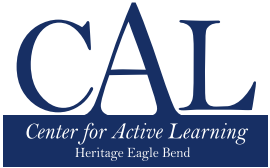

So...CAL is ready for Winter 2024 and the prep has already begun, as usual, for the 2024 Fall Term. The big news is that a major change to CAL's term structure will begin taking place in September of 2024 as we transition from a three-term quarterly structure to a two-term semester structure. The Fall 2024 term will be the traditional eight weeks in length, but the Winter 2025 Term will be a twelve-week term, beginning in January and ending in April. Classes won't be offered at all in May of 2025 when people turn their attention to outdoor activities, travel, and family events such as weddings and graduations. Then, in September of 2025 the Fall Term will begin and it will conclude after twelve weeks at the end of November.

The new two-term structure DOES NOT mean that CAL classes will be twelve weeks long. Within each term each class facilitator will decide for how many weeks his or her class meets. Some classes may be four weeks long, some six, some eight, depending on the facilitator's plan. And classes will start and end throughout the twelve-week term at different times to conveniently fit facilitators' schedules.

The CAL Leadership Team believes there are several advantages to adopting this new two semester structure. By starting the Winter Term a little later in January of 2025, registration can take place after the new year begins instead of before the holidays in December, thus freeing up the CAL Lead Team to

enjoy their holidays free of CAL duties. Another advantage of a two-term structure will be that only two different programs of classes will have to be planned each year as opposed to the traditional three slates of classes, a task which was producing a tremendous workload for the entire team. Reducing the workload of the Lead Team will hopefully encourage more volunteers in the community to step in and fulfill roles as team members complete their terms and vacate their positions. Finally, a structure with two twelve-week terms will provide for more flexibility within each term for classes of varying time lengths.

Change can be scary, but most change is good in the long run. In the coming year, CAL is ready to embrace change and new beginnings in a variety of ways. Happy 2024 everybody!

HEBGC Genealogy Club News!!

by Cindy Born-Mylo

HAPPY NEW YEAR!!

We hope you had a wonderful holiday with family and friends.

Our January 8, 2024 program will feature Judy Russel giving her presentation *Finding the Law*. So many documents we use for family research are created in response to a law. And we are told to look at records in the context of the law at the time and in the place where the records were created to better understand the record and our ancestor's lives. Easier said than done! With 50 states and the federal government all passing laws, how do we find the laws we need? Judy provides expert guidance through the murky territory where law and family history intersect. The presentation will be given in person and via zoom. Please contact Cindy Born-Mylo at cindybornmylo@msn.com as soon as possible if you would like to attend. The cost for this lecture is \$10 for either in-person or via zoom.

Judy Russell is an internationally known speaker who has been a defense attorney, federal prosecutor and, among other things, an adjunct member of the faculty at Rutgers Law School. She is a Certified Genealogist, a faculty member at numerous genealogy institutes and has a blog, *The Legal Genealogist*.

SAVE THE DATE

Our February 12 meeting will feature Mark Ribideau giving his presentation on Eastern European research. Cost for this lecture will be \$5.

The Genealogy Club is open to all HEB residents and meets the 2nd Monday of every month at 10:00 a.m. until noon at the HEB Clubhouse. If there are any questions, please contact Cindy Born-Mylo at cindybornmylo@msn.com .

Billiard's Club News by Marty Patten

HAPPY NEW YEAR and welcome to 2024!!! Hopefully your New Year's resolutions included playing more pool, so why not come join us in playing pool on Monday and Thursday afternoons in the HEB Billiards room. Many current Billiards Club members continue to play pool every week, so come on over!! We would really like to expand our membership and start having various competitions again. Please join us to play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play, for billiards club members, are currently Monday and Thursday afternoons from 1 to 5 pm. We can also schedule additional days and times or even evening times if

there is enough interest. If we can get more participation and enough interest, we would again like to host pool tournaments and playoffs.

If you would like to join the Billiards Club, dues are currently \$10/year, but remain suspended for all members until we resume full normal operations. Women are also encouraged to join and in the past there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

If you want to join the Billiards Club, or if you have any questions, please contact Marty Patten @ (303) 690-5971. *Your feedback on when to schedule reserved times for play is appreciated.*

For the February meeting we will bring a wrapped \$20 garden gift. Last year we did this exchange, it was a wonderful surprise to see the gift each member received.

Kate has a wonderful year full of programs planned. All members will receive an email regarding upcoming meetings.

Make a Choice to Love More Art in 2024! by Sheryl Hutchings

The HEB Watercolor and Beyond Artists want to wish everyone a Happy New Year! We so look forward to another year of painting together and producing works that we can share with the entire community. We also want everyone to know how much we appreciate the enthusiasm of the community for our artistic efforts. After wandering through the library or the craft room where our paintings are displayed, people often share glowing comments about our work, and that provides much needed encouragement to keep us putting our paint brushes to paper or canvas.

Sometimes we even sell a piece, and that's even more encouraging!

For our January display of artwork in the craft room, we decided to let artists make their own choice of a favorite painting to share, rather than asking contributors to stick to a theme.

Cindy Tinkham Shepherd says that one of her faves is a mixed media work she entitled "No Fear" because it allowed her to be free to experiment and try lots of different combinations and techniques. "I decided perfection is whatever I decide it is, so I had no fears of failure or not doing it 'right.' I love my colors and textures in this piece, as well as the movement in it."

Sheryl Hutchings was in a similar frame of mind when she made her artist's choice. She explained, "Usually when I paint, I am working from a photographic reference of some sort or some scene I have in my mind, but occasionally, it's just fun to put down my favorite colors of paint and a generous splattering of water on paper, let them mix and run together, and see what comes to mind and begins to take shape. That is exactly what I did in this recent watercolor painting I call "Serendipity."

"The Force of Nature" is a larger than usual work by **Roxanne O'Rourke**. Roxanne says that "working on a larger scale is sometimes very challenging. Oil was my choice of medium for this painting. I was pleased with the results."

Rita Summers sent in "Mountain Lion," a watercolor favorite of hers. Rita, who has traveled extensively to photograph wildlife, commented, "I almost always paint from my own photographs. Cougars photographed in other seasons are nice, but I thought this one stood out beautifully from the snowy background."

A travel scene was **Christina Davis's** choice to share. She calls her watercolor and ink painting "Portofino Alley" and says, "Portofino was a fascinating place to visit, and I loved exploring all the winding streets and seeing all the colorful buildings, many with laundry hanging out to dry across windows. Such scenes were wonderful inspirations for several works that I painted after my trip to Italy."

Inspiration for **Alaine Lessing's** contribution was closer to home. She sent in "Ray's Place," a watercolor. "January in Denver means it's time for National Western Stock Show, a venue for connecting with the agricultural community. Ray is a longtime farrier in Elbert County, where hints of the Old West still remain," according to Alaine.

The title of **Lynn Kowalski's** painting is "Golden Snowflakes." Lynn says, "The beauty of snowflake patterns led me to make this very snow-inspired picture. I used a salt and watercolor technique to create a snowy background for the snowflakes, which I painted with blue and gold metallic watercolor."

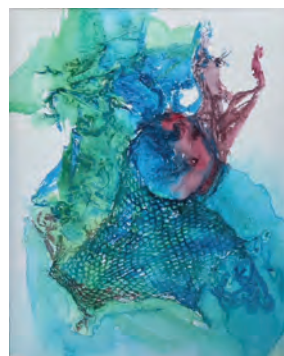

"Fire Dragon," **Elaine Tsumura's** choice, is an acrylic mixed media work "created with poured acrylic paints with the addition of various mulberry papers, tissue paper and spackle texture on canvas. 2024 is the Year of the Dragon. Those born in the Year of the Dragon are considered fortunate, for the dragon represents the greatest celestial power. Happy New Year to all HEB residents!"

Linda Ault shared an oil painting entitled, "Flowing Fuchsia Flower." She says, "This is a still life of pretty flowers flowing from a bean jar with an old serving tray in the background. It's painted on a large canvas, and I really like the how the oil medium allowed for bright pinks and magenta to blend well."

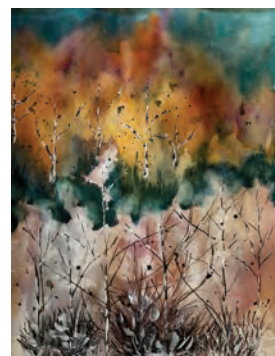

As the new year is ushered in, we want everyone to know that any artist in the HEB community is welcome to join us. Our paint sessions are on Mondays for 1 to 4 in the craft room. Just drop by, bring your art supplies with you, and mingle and paint with whoever is in attendance on any given Monday.

We also want all to know that any artist in the community is invited to share his or her work in the library display areas any time open spaces become available. You do not have to be a member of the Watercolor and Beyond group to do so.

If you have questions, please send an email to Sheryl Hutchings at sahutch@me.com.

HEBGC Car Club

We will be resuming our HEB Car Club Meetings after the first of the year. Our Club usually meets at 9:00am the second Saturday of the month, in one of the meeting rooms in the Clubhouse.

We will soon be putting together our 2024 Calendar. If you have a Car Club Activity or know of someone that we could get to come and speak to our group, let us know.

The best way to keep up on what's happening with the HEB Car Club is to send your email and contact information to jerome.stenbakken@gmail.com.

It is not necessary to have a fancy car. simply an enjoyment of cars and things related to them.

Ladies 9/18 Hole League by Sue Matteson

On Tuesday, December 5, the league met for a holiday get together and fun gift exchange.

Thank you to Karen Brown and Karen Dorr for putting together the great food and drink and the fun time we had.

From the league, Happy New Years to all and more good weather for golf!

MGA by Larry Cotter

Happy
2024

Wishing all MGA golfers, their families, friends and neighbors a Happy, Healthy and Prosperous NEW YEAR from your HEB Men's Golf Association Leadership Committee.

Your leadership is working towards a fun filled 2024 MGA season. Regardless if you stay here and play winter golf, or go someplace that's warmer, STAY SAFE and we look forward to seeing you in the spring for a great 2024 season.

Golf Shop Corner

by Jason Franke,
PGA Director of Golf

I hope you all enjoyed the holiday season and are getting excited for the new golf season! Planning is already underway for a great 2024 and we hope to have some great Winter weather so we can get out on the course soon. Thank you all for your cooperation with our Cart Path Only restriction. It's really going to help improve our course conditions in the Spring.

2024 Annual Passes and Rounds Packages will be on sale in the Golf Shop in early January! Visit our website or call the Golf Shop to see what options are best to satisfy your golf itch for the year!

Reminder....if you plan on using a private cart on the golf course, you need to provide us proof of insurance and we'll get you a 2024 sticker to display on your cart. Thank you for your attention to this!

We will be selling our HEB Ace Card again this year in February! Please keep an eye out for more information regarding this spectacular offer that sells out quickly every year!

Thank you all for your support of the Heritage Eagle Bend Golf Operations. If you need anything or have questions or concerns, please contact Jason Franke at (303) 400-6700 or jfranke@heritageeaglebend.com.

WGA Celebrated an Awesome 2023 Season by Vicki Griffith

HAPPY NEW YEAR!

"I'm cold" ~ me 24:7

We had a totally awesome Christmas Party at Debbie Strines lovely home. Had a lot of great food and drinks! People, who chose to, brought a gift for our gift exchange and as in previous years, the ladies donated to the Gateway Domestic Violence Services Center.

WGA had a beautiful Christmas Tree in the foyer at the Clubhouse. Credit mainly goes to the creative pair of Debbie Strine and Gail Inderwish. They are soo talented, they should hire themselves out! The rest of us...we were just really good at following directions! Okay, maybe we had to have them repeat it a couple of times but eventually we got it!

Okay! Now, can we talk? I think being a good golfer is highly overrated!

WGA has really good golfers and some more like myself. I am not a great golfer but you don't need to be to be a member of the WGA. In fact, you hear it said "if Vicki Griffith can be in the WGA, anybody can!" Truth is as long as you have a handicap of 40 or less and follow the rules of golf, you can be a part of the league. After all, it takes a lot of hard work to be a good golfer. I think I mentioned last month that Amy Knowles was our most improved golfer for 2023. I heard she studied golf, took lessons, practiced and played all the time! That makes me tired just thinking about it! So she made some money and received admiration from all the other ladies, but it isn't like she would get mentioned in the magazine 2 months in a row! Wait! What? Never mind! More later!

Just one of Debbie's 4 Christmas Trees!

Our WGA Christmas Tree!

Tennis

by David Peck

The HEB tennis club had a successful year in 2023. We picked up several new members and we played tennis as often as possible. The weather was good for most of the year. We are currently watching for warm days to continue playing in December and January. If the temperature is 50 degrees or higher with no snow or wind we will organize some doubles. Karen Wadleigh did a great job of organizing the women players on Monday mornings and Jo Ann Kalua often recruited our members to play on nice days. Their enthusiasm and efforts were very helpful. We all appreciate their organization skills. The intermediate players played on Tuesday and Saturday mornings and with mixed doubles on Thursday evenings we kept the 2 courts busy in 2023. A few members have needed some recovery time and they will plan to start playing again in 2024. This will further increase our numbers this spring.

If anyone wants to be on the leadership team, please let me know. Current leadership is Karen Wadleigh as secretary, Ed Grose as treasurer, Steve Flaniken as vice chair and myself as chairperson. I appreciate all of the efforts this team has put into the tennis club. I hope we can get together this winter either on the courts or in some sort of social gathering.

The annual fees for the HEB tennis club will remain at \$10 cash. Dues can be paid to me or any of the leadership team. Money can also be left at the front desk in an envelope with your name and HEB tennis club.

We look forward to another year of great tennis in 2024. If you or anyone you know wants to join the club, please contact me and I will get you on the notification list.
