President's Message

by Rex Gambrell, President of Master Board

The 2023 Audit has been finalized and will be presented at the July Master Board meeting. So now that the audit is complete the budgeting process for 2025 has begun.

The Master Board along with Icon Golf Studio and Luarca Rodgers Design Group are continuing to proceed as planned in rebidding the redesigned irrigation project along with the

redesign of bunkers and tees. A meeting took place with the City of Aurora Water department to discuss the project in more detail along with the Eagle Bend Metro District to see if we could get some sort of direction as to whether we can move forward with a second irrigation pump and pump house. We still plan on requesting combined project bids from contractors in early to mid-August.

On another note, I would like to complement Marty Savage and his entire staff for doing a fantastic job in getting the golf course in great shape so early in the season. I have been out on the golf course several times this spring and have heard from several people how wonderful the golf course looks and plays. The greens are in my opinion in perfect shape.

VILLAGE RESIDENTS, WE HAVE REACHED JULY!

The board has spent months reviewing and revising our governing documents. By now you have received your new governing documents that require your vote for each document and your signature. One signed ballot per household. Passing these documents is critical for us to be in compliance. We also cannot prepare the 2025 budget until we know whether these have passed or not.

If you have questions -

call the hotline and a board member will call you back!

If you need your ballot picked up - call the hotline. We have volunteers that will come pick up your ballot.

We need your vote!!!

NEXT QUARTERLY MEETING TUESDAY, JULY 23RD, 2024 5:00 PM

General Manager's Message by Gene Blum

Summer is here and all the activities around the Clubhouse and community are in full swing. The crews were hard at work through May and June putting in flowers and plants, but as you know

we experienced a big storm in June, so we are replanting around the Clubhouse, gate houses, and community. Those beautiful colors will soon be popping up around the club, just a little later! If you happen to spot a crew member nearby, be sure to say hello and thank you!

Events are heating up at the club. As you know, on July 4th, we will hosting a grill-out, with all the fix 'ins, and DJ music down at the outside pool. Following that, we will have the much anticipated golf cart parade, a beloved HEBGC tradition. Residents and their families are encouraged to decorate their golf carts and show off their American spirit, then tour around the community. Don't forget to plan ahead, as there will be prizes for "best dressed" cart. If you're ready to dance, we are bringing back another dance night in the Antero room on July 11th. As I write this, the field is filling up for the Golden Eagle Classic, our signature men's member-guest golf tournament taking place July 18th through the 20th.

Speaking of events, now is the time to plan for future events for this year and beyond. We encourage you to spread the word to family and friends about our beautiful venue that is perfect for weddings, receptions, parties, meetings and more. To find out more about our offerings, feel free to contact Jennifer Stoneking at the Clubhouse.

To all those spending their summer with us in colorful Colorado, I look forward to seeing you at the Clubhouse, on our incredible Eagle's Nest patio, on the golf course, and enjoying all the club has to offer. If you are vacationing away from us right now, we wish you safe travels and we will see you when you return.

RESERVE STUDY

The TEB Board has retained Reserve Advisors to review the funding in our reserve programs. This is the same consultancy that advised TEB in 2018 and 2021. With the 20% inflation experienced in the last three years, we want to make sure we are properly funded.

UPCOMING TEB BOARD ELECTIONS

There are three Board Position terms ending this

year. If you are interested in running for the Board, please contact a current Board member. The deadline for submittal is September 8th.

SNOW PUSH EXPENSIVE

We received the snow push invoice for the final three snow pushes that were done in March. These invoices (\$100,000) were higher than expected due to the 20 inches of snow received over two days. We will be overrunning the budget for this expense for the year. This overrun will be recorded in our May results.

It's good to know that our trees are taking safety seriously. During May, they were fully protected from beetle and boar infestations.

WHAT IS EYEONWATER?

DRUG TAKE BACK CANCELLATION

THE ROTARY CLUB OF CENTENNIAL DRUG TAKE BACK ON AUGUST 3RD, 2024 AT HERITAGE EAGLE BEND HAS BEEN CANCELLED.

After recent communication with the Rotary Club of Centennial and our PAR Officer at the Aurora Police Department a decision was made to cancel future Drug Take Back collection here at Heritage Eagle Bend.

APRIL 27TH IS NATIONAL DRUG TAKE BACK DAY.

The Aurora Police Department participates with the DEA (Drug Enforcement Agency) with collection sites in Aurora. Mark your calendar and prepare to clean out unused/expired medications.

Coloradoans can responsibly dispose of most expired or unneeded prescriptions or over-the-counter medications in a Medication Takeback Dropbox at more than 300 locations across the state.

Acceptable: Opioids & other controlled substances, prescription patches, creams & ointments and unused medical inhalers (if empty).

Not Accepted: Trash, sharps & syringes, thermometers, chemotherapy medication and illicit substances.

This process is simple: Gather unused or expired medications, remove any personal information from packaging, place in sealable bag or container, and locate nearest drop box @ Medication Takeback Collection Site.

WHY SHOULD WE DISPOSE OF OLD MEDICATIONS?

Safe disposal safeguards kids, teens, and pets from accidental access and misuse. Flushing medications harms the environment and contaminates water posing risks to humans and wildlife. Even throwing meds in the trash isn't entirely safe.

The following links are referenced @ cdphe.colorado.gov (Colorado Department of Public Health & Environment).

Search: Drug Take Back.

- TakeMedsSeriously.org (https://takemedsseriously.org)
- Takemedsback.org
- Medication Takeback Program website

You can also seek resource from your pharmacist as to proper disposal of medications.

I want to thank all HEB residents for their past participation allowing us to collect well over 1000 pounds of unused/expired medications over the past 5 years. Thank you to Ron Riedesel for coordinating with the Rotary of Centennial and the Arapahoe County Sheriff office, all resident volunteers for their assistance and to the HEBGC staff in scheduling and supporting our events.

CAL Leadership Team Bids Goodbye to One More Member by Sheryl Hutchings, Chair and Publicity Lead

THE 2023-24 CAL LEADERSHIP TEAM (left to right): Phil Martin, Treasurer, Mary Foglesong, Secretary, Mary Williams, Co-Registrar, Alice Edwards, Curriculum Lead, Matt Prazenka, AV Coordinator, Cindy Born-Mylo, Distance Learning Coordinator, Gary Pollard, Co-Registrar, Sheryl Hutchings, Chair and Publicity Lead, Joan Sinhur-Livshin, Co-Facilitator Lead,

The lazy hazy crazy days of summer have arrived and all of us at CAL hope you are enjoying some summer fun in the sun. Members of the CAL Leadership Team are all enjoying some relaxing time off until August 27 when we will kick off a new and very exciting fall semester of classes.

When we do get back into the swing of things, we will be welcoming a new treasurer to the team. Donna Musciano will be taking over for **Phil Martin** (pictured on the far left above), who regrettably must conclude his service to CAL at the end of his three-year term because of personal issues.

Phil and his wife Cindi have two young grandchildren in Seattle, and they now spend half the year there. He is also bravely battling through his fifth round of cancer treatments which has limited his ability to both speak and walk. Phil's life motto is "Get busy living or get busy dying," so living life to the fullest extent possible is his daily goal. We are sad to see him leave, but we thank him for the service he was able to provide during his tenure, and we hope that staying busy living his best life is exactly what he will be doing as he journeys on.

The Martins moved to HEB in August of 2018 from nearby Centennial where they had lived since 1988 while raising their two children. Phil, a second generation Denverite, had just retired as an

Billiard's Club News by Marty Patten

S UMMERTIME, and the pool playing is easy!! Why not enjoy the air conditioning in the HEB Clubhouse and come join us in playing pool on Monday and Thursday afternoons in the HEB Billiards room? Get out of the house and come join us. Many current Billiards Club members continue to play pool every week, so come on over!! We would really like to expand our membership and start having various competitions again. Please join us in play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play, for billiards club members, are currently Monday and Thursday afternoons from 1 to 5 pm. We can have 8 or more players at a time in the Billiards Room, so we can have members playing on both pool tables, with 4 at a time playing on each table. We can also schedule additional days and times or even evening times if there is enough interest. If we can get more participation and enough interest, we would again like to host pool tournaments and playoffs.

If you would like to join the Billiards Club, dues are currently \$10/year, but remain suspended for all members until we resume full normal operations. Women are also encouraged to join and in the past there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

If you want to join the Billiards Club, or if you have any questions, please contact Marty Patten @ (303) 690-5971. Your feedback on when to schedule reserved times for play is appreciated.

auto broker at H.M. Brown & Associates where he worked for 25 years, and Cindi, an obstetrician gynecologist, had retired in 2016 from private practice. According to Phil, HEB offered just the right mix of suburban retirement amenities and a "senior club feel."

He began taking CAL classes, enjoyed the community involvement, saw the value of CAL to the entire community, and found himself wanting to be involved in a more personal way. He consequently volunteered to become CAL treasurer in May of 2021.

Phil is confident that CAL will continue to succeed in his absence, saying, "It's my hope that CAL will continue to thrive and grow with the current leadership team. The opportunities and new ideas for courses has no limit because of the wealth of human resources in HEB."

Please visit CAL's website at www.calheb.org for all the latest information regarding CAL. You can find out everything you need to know in one convenient location! Have a great summer one and all!

HEB Library Latest

We volunteers would like to thank you, residents, for following the guidelines that keep our library orderly and clutter-free. Please remember that the library only accepts fiction and biographies (ten books at a time limit) along with recent magazines (from the last two or three months) and jigsaw puzzles. Anything else cannot be housed or shelved so one of the volunteers ends up having to bring it to another place for donation. If you bring in puzzles and the cart is full, please take them someplace else. Tallyn's Reach Library is close by and accepts puzzles. Also, if you know a piece or two is missing, please don't leave it. There's nothing more frustrating than working a puzzle only to have it end up unfinished because of missing pieces. Puzzles need to either be in a zip lock bag or taped closed. There is a tape dispenser right by the puzzles cart you are free to use.

We have a place on top of the shelves to the right as you walk in where newer releases are shelved. Check it out – you never know what gem might be there! Been awhile since you read a classic? We have a classics book display on top of the shelves to the left as you walk in.

It is also appreciated that when you finish books, you return them to our library so others can read them. So many books – so little time!

A DAY AT BLACK HAWK

There are many joys of participating in the HEB Express to Black Hawk. The Express drops us off at the front door of Bally's Casino to begin our day of fun. Black Hawk friends scatter to their favorite games, pick up a free cup of coffee, cocoa or soda from the drink stands, or stroll across the street to check out specials at the Lodge Casino.

Others walk down the hill to the Monarch Casino to order a Starbuck's coffee and sweets. The games and ambiance are different for each casino. The bus arrives in town mid-morning and the day allows for adventure and fun until it leaves in the late afternoon arriving back at HEB before 5:00pm.

Time passes quickly and Black Hawk friends start to make choices of what they plan to eat for lunch or take home for a leisure dinner later. Some want to avoid interrupting a fun game on a machine by not stopping for lunch. Each person decides what will fit their needs. Friends check on each other throughout the day and chatter about their day of wins and losses. Indulgences are numerous. Syble, our fearless leader, enjoys Bally's prime rib dinner special. Or you might

choose their burger, freshly made and never frozen, with both choices just under \$10.00. You might want the full buffet at the Lodge where you can eat an unlimited choice of entrees, salads, and desserts. The Monarch has a café and buffet with a variety of dishes prepared by their chefs.

Afternoon means it is time to order the signature HEB Bailey's milkshake before returning to HEB. Our group was the first to request this drink and now it is a standing tradition. After all, we aren't driving! Oh, and do not forget the candy machines at the exit door before we load the bus where Patrick, our driver, is waiting with the HEB Express to drive us home. A quarter buys a handful of candy from our past that finishes our day.

All this packed into a \$30, 9:00am - 4:30pm day. What a bargain for food, fun, and friendship. Registration is required no less than one week in advance of the travel date. There are no funds if cancelation is made within 7 days of the trip date. Here is the following schedule of Black Hawk trip dates.

July 31 - August 22 - September 26 October 24 - November 21 - December 19

Have we piqued your interest? Come join our family of friends by contacting Syble Revard by email syblejane2@gmail.com, or phone or text 303-917-4095, to sign up.

Bocce by Cathy Murtha

s it July already? Where has the time gone? We now have seven out of ten weeks

played and by the time this article is published, we will be starting our eighth week. What is so special about the eighth week you may ask. If you are watching your stats and have played every week from the beginning in May, this upcoming week will establish your ranking. However, there is a catch, there are still two weeks left of play, and depending on your competitors, you may remain in that place or not. But really, after all the fun and laughs you have just experienced, does your ranking matter? The comradery among the players, the new friends you have made and the improvement in your game should give you some level of satisfaction. However, who am I kidding, we all like to win!

Has anyone said they played too much Bocce...no one ever as far as I can tell! If you have missed games, there is still time to make them up. Monday Morning Pairs, Friday Drop-in play and Sunday Team Bocce all have room for you to make up your games. Bring a partner, let the monitor know you are making up a game and they will place you accordingly. As a reminder, arrive at the courts 15 minutes early so you won't be turned away, and on the score sheet please mark the league and date you are making up.

After a short break, the Fall Bocce league will soon begin. If you are interested in playing or maybe in need of some practice, the Friday Drop-in league is a good way to get the feel for the game and is free to all who wish to play. No stats are kept, it is just for the fun of it. Maybe it will spark your interest to play in the fall, and you too will find out all the benefits that Bocce offers!

Stay tuned to the Friday eblast for upcoming events. You never know what the Leadership Committee has up their sleeve! If you would like to reserve the Bocce courts during off league play, please contact Mary Jo Collins at big_strong_woman@ yahoo.com or 303-810-1725 and she will help you.

Just remember – LIFE IS GREAT — BOCCE MAKES IT BETTER!

HEBGC Genealogy Club News!! by Cindy Born-Mylo

Appy July everyone! We hope you are having a wonderful time so far this summer. With 2024 being the 100th anniversary of Ellis Island stopping the bulk of their immigration processing (Ellis Island did remain open until 1954 processing only special cases), I wanted to write a short note about immigration.

Some people believe that all immigrants to the United States came through Ellis Island. 12 million

immigrants were processed through Ellis Island when it was open between 1892-1924, however, there were many other ports of entry that immigrants arrived through before, during, and after Ellis Island was open. An immigrant might have come through other U. S. ports such as Boston, Philadelphia, New Orleans or San Francisco.

The United States began enforcing immigration quotas and restrictions in the 1790s which forced immigrants to find other ways to enter the country. They might have emigrated to Canada or Mexico first, stayed there for a time, then came over the border into the US when quotas were more favorable, or restrictions lifted.

A good resource for immigration and naturalization information is the FamilySearch.org Wiki/immigration and naturalization - https://www.familysearch.org/en/wiki . If your ancestor did come through Ellis Island, their website will allow you to search by name https://heritage.statueofliberty.org/. The National Archives also has immigration information that might be helpful https://www.archives.gov/research/immigration.

The main thing is to be open to the possibility that your ancestor might have used an alternative point of entry. If they wanted to come to the country, they would usually find a way.

SAVE THE DATE

Our next meeting will be September 9, 2024, when we will have Glenn York presenting a lecture on DNA. Please watch the newsletter for more information in future articles.

The Genealogy Club is open to all HEB residents and meets the 2nd Monday of every month at 10:00 a.m. until noon at the HEB Clubhouse. If there are any questions, please contact Cindy Born-Mylo at cindybornmylo@msn.com .

Treescape / Tree Lawn Trees Replacement Process

The Residential Improvement Guidelines and Aurora City Ordinances requires at least one (1) tree in the treescape of each residential lot at a spacing of 30'. The only type of tree allowed in the treescape area are shade trees of $2 \frac{1}{2}$ " caliper. In addition, the following should be noted:

- A. All residence's property lines extend from the rear yard to the back of the concrete curbing at the street. Homeowners own and are responsible for the maintenance of their treescapes.
- B. Treescapes must remain Kentucky Bluegrass and have a tree planted every 30 feet. If a tree dies in the treescape, it must be replaced in a timely manner at the expense of the owner. Note: some Xeriscaping is allowed by submitting a written request to the AAC.

To bring your Lot into compliance, a Shade Tree(s) of $2\frac{1}{2}$ " caliper must be planted in the treescape. The following trees have been pre-approved for planting in the treescape area:

- Locust, Shade Master
- Locust, Sunburst
- Maple, Autumn Blaze
- Oak, Shumard
- Linden, Green Spire
- Oak, Chinkapin
- Maple, Crimson Sunset

The following trees are not allowed to be planted on any Lot within the HEGBC Community: Ash, Aspen, Cottonwood, Russian Olive, and Weeping Willow.

Replacement of the Treescape / Tree Lawn Tree is an Administrative Approval through the Admin Office, see instructions below:

Submittal Checklist:

- Email photo of existing treelawn / treescape tree to Alison at AGulley@heritageeaglebend.com
- Include the type of tree you will be replacing it with from the list above
- Alison will respond to email with approval to proceed as "maintenance"
- Email photo of completed tree planting

Please follow the advice of the nursery or landscape company installing the new tree about the best time to plant. It is OK to wait until Fall or Spring to plant the new trees, just let us know in your email to us.

ao Tzu, an ancient Chinese philosopher, correctly observed that "nothing is softer or more flexible than water, yet nothing can resist it." Paintings that HEB Art Club artists have chosen to share this month each try to capture that softness and flexibility and power in beautiful ways. Although we here in Denver and its surrounding communities live in a semi-arid climate, we still find ways to experience, enjoy, and, in our individual ways, enhance the wet and wonderful world of water.

Women's Golf Association by Vicki Griffith

OLY COW!! How did it get to be July already? They say the older you get the, the faster time flys, but that doesn't seem to happen in the Winter! What's with that?

This month WGA has its Members/ Guests 2 day event. On Monday July 22nd we have an evening party that is just plain fun! Starting at 4:00pm we have contests like best putt, closest to the whole, and best chipping etc. We also sell raffle tickets for drawings the next day for those who want to enter. **REALLY FUN!!** Then the next day on Tuesday July 23rd, there will be breakfast items available for all

players. The day long event will culminate in a wonderful luncheon, announcement of winners for golf and the raffle! This event is open to all WGA members and invited guests. Is it just me or would it be wrong to try to fly a lady pro in as your guest? Just sayin! Please see details for this event on the enclosed picture.

Okay, now I have another golf tip from an extremely competent golfer. Most people know him as Mr. Nimtz. Tip involving Bunkers! He says you should set your club face aiming where the ball needs to go. Then with feet pointing left and weight on left leg. Hit sand about 2 inches behind ball and follow through. Don't move your body. Picture there is a dollar bill under the ball, ball is in front and hit behind scooping the dollar bill up with your ball. I did try this and it did work until it didn't, then I just got ticked off and dug a hole to China.

I was trying to think about why I lack confidence in my skills as a golfer and I remembered some of the comments I received via my father when I was younger. We would be waiting on the tee box for the people in front of us to tee off and they would get about 10 feet off the tee box and my Dad would say " Okay Vicki you can hit!"

I'll leave you with something to contemplate... What if they're not really stars but holes poked into the top of a container so we can breathe?!!!

Ladies 9-Hole Golf League by Mary Scherr

Reperfect for the hail storm, June was the perfect month for golf—warm but not hot, a little rain, lots of sun, and a beautiful course on which to play.

Our Season Open Scramble and Social on May 16th attracted many players for golf and brunch. Winners of the scramble were: 1st place team, Liz Folk, Marilynn Fiwek, Pam Finch, and Jan Wright; 2nd place teams (tie), Amy Knowles, Becky Barnes, Mary Scherr, and Linda Ault; and Vickie Dycewicz, Sue Evans, Cathy Moes, and Kathy Ebdon. Congratulations to all!

Thanks to the leadership committee, which is responsible for planning all the events for the year. The members this year are Chair, Phyllis Matthews; Amy Knowles, Secretary; Jan Wright, Treasurer; Liz Folk and Mary Scherr, Communication Coordinators; Chris Holliday, Membership; Pam Finch, Exchanges; and Beverly Petrie and Sheralyn Bratlien, Events.

HEB LADIES 2024 9-HOLE LEAGUE SCRAMBLE PLAYERS

Pam Finch reports that the Exchanges started with Aurora Hills on June 24th with 7 players making the early morning trip. The next exchange is Red Hawk Ridge on July 3rd with 11 avid HEB golfers traveling to this picturesque course in Castle Rock.

The annual Friendship Day Tournament, PUTS, PARS, AND PLAIDS, took place on June 27th with lots of plaids, a loch with Nessie, the Loch Ness Monster, indoor putting greens, and lots of fun for all who played. Thanks to the restaurant staff for the delicious food and to the Golf Shop for putting on a great Tournament.

The Ladies 9-Hole League plays on Thursday mornings with a different game each week so we are always challenged. It is never too late to join us, so if you are interested, contact Chris Holliday @ 330-321-5922 or email her at clrh68@gmail.com.

You can pick to play with some of your buddies or pick to meet new residents or a combination. You can sit down for a drink and/or a meal in the Eagle's Nest after your round. You only pay for applicable green's fees and cart fees on weeks when you decide to play.

All I need from you is your name, email address, preferred tees, and either your GHIN handicap or an average score and I will pair you up with players of similar ability who are playing on the same tees. If your ability goes up or down or you want to change tees during the season, let me know and I can change your preferences.

In 2024, we are scheduled to play from March 18th through October 28th weather permitting. Tee times vary from 7:30 through 10:57 depending on the time of year with 4 noon shotgun starts scheduled due to course maintenance. I will send out an email to the group 10 days prior to the date of play and after responses have been gathered, I will send out the tee sheet 5-6 days before the date of play. The player then just needs to show up, pay applicable cart and greens fees, play golf, and have fun.

If you would like to become part of my email list, send your name, tee box preference, and handicap or average score to hebmmg@gmail.com or call me at 303-617-5419.

to the 2024 MGA this year. It seems like every week early on the wind was blowing hard right into our face on every hole (This is HEB, RIGHT). But most importantly we are off and running and the 2024 MGA season has been fun and full of good play with our course in great shape!

We are up to 152 members as of June 1st and we are averaging between 90 and 110 players each week making for a very enjoyable weekly outing. We have 96 members signed up for the STROKE PLAY CHALLENGE which is a fun and exciting challenge that will play out over the course of the season. This is 14 more than last year so obviously the word is out that this is a fun and rewarding event sponsored by the MGA!

Your Leadership Committee has worked hard to make your 2024 MGA experience enjoyable and so far we see positive results. It's great to see everyone out playing enjoying our great course and playing with old and new friends. In addition to the enjoyable weekly events on our schedule it's great to see everyone in the Antero Room after golf enjoying a cold refreshing beverage (your dues at work), lunch and watching the day's results trickling in on the big screen. *Special kudos go*

Thursday Morning Ladies Golf Group by Cynthia Hungerford

adies, are you looking for an easy way to get a Thursday morning tee time? Well, look no further than the Thursday Ladies Group!

This is a group that's perfect for the lady golfers who live in HEB and are looking for a fun, fast, friendly round of golf with other HEB gals. You can build your own foursome to play with your friends or join others who want to meet new friends.

We play each Thursday morning from mid-April through late October, depending on the weather. There are no additional fees, only your green fees are required, and members are under no obligation to play each week. You don't need a GHIN, just tell us your average 18-hole score when you join. Tee times are allocated to the

20

group by the Pro Shop and we usually start around 8:00am, depending on the time of year.

An invitation to play is emailed to everyone in the group 10 days prior to the play date. Interested players have 3 days to respond and the pairings are sent out 6 days before the scheduled date. Then all you have to do is show up, pay your green fees, play golf, and have fun!

If you would like to be included on the email list, send your name, phone, and your average 18-hole score (or handicap) to *ThursdayLadiesGroup@gmail.com*. Once your request is received, you will get a confirmation email in response. Looking forward to seeing you out on the links!

SPORTS CORNER

Ladies 9/18-Hole League (Tuesday Ladies Non-Competitive) by Liz Folk

THE NEW LEAGUE DESIGNATION IS SUCCESSFULLY Accommodating both 9-hole and 18-hole play!

e are now heading into the hotter days of summer. We anticipate a shift in the number of players who will sign up to play 9 holes vs 18 holes on the days when the temperatures are extreme. This was a consideration when the league decided to accommodate both 9 and 18 holes. In past years, on the extreme heat days we had fewer ladies participating. Our hope is that the new 9 hole designation will have more players out on the course and finish play before the afternoon heat settles in.

The Tuesday Ladies Non-Competitive has been invited to join the Ladies' 9 Hole League Exchange Program. There are five (5) exchanges this year, including one here at HEBGC. Below is the list of the exchanges. These exchanges allow the Tuesday Ladies Non-Competitive an opportunity to play outside courses and network with ladies from these courses. Each exchange includes a 9-hole scramble format adopted by the host course, a brunch or dinner will follow the scramble and awards will be given out to winning teams. Each team is comprised of ladies from the different clubs. Teams are put together based on handicaps. If you have not participated in a golf exchange before, give it a try. Everyone who has participated has a great time and enjoys the camaraderie between the ladies from all the courses. Thank you to Pam Finch, Exchange Coordinator for making the exchange available to the Tuesday Ladies Non-Competitive.

- Red Hawk Ridge Wednesday, July 3 @ 5 PM \$65 (Deadline has passed, check with Pam Finch if there is availability)

Thank you to the following team members and HEB staff who made our "Par-Tee-Animals" Member/Guest event an exciting day.

- Bev Petry, Jan Rankin and Trudy Garred for their creative vision and organization of the event.
- Jennifer Stoneking and the restaurant staff for the great theme-based luncheon and service.
- Jason Franke and the Golf Shop staff for the efficient service to our members and their guests.
- Jeff Lambert for his wonderful photos.

The August issue will have photos of our "Par-Tee-Animals" Member/Guest which occurred after this issue. Stay tuned for some fun photos!

Tennis Club by David Peck

The HEB tennis club had a very Active May and thus far June has also been great, The lack of rain has provided many opportunities for the men

and women to get out on the courts. This summer we have consistently had 8 or more players on Saturdays and Tuesdays, The women have also used both courts on Mondays. Karen Wadliegh has organized the women although she has not been able to play herself, We all appreciate her dedication to our club. Karen expects to return to the courts soon. We have picked up several new players this spring and summer. These new players have elevated all of our games.

The French open tennis matches in June were great to watch. There will be a lot of pro tennis this summer and fall. We are looking forward to Wimbledon From July 1st to the 14th, the Olympic tennis matches from July 23th to August 4th and the US open from August 26th to September 8th. These professional matchers are an inspiration to all of us who love to play tennis.

I hope other residents will come join us soon, We will be moving our start times up to 8 am as the weather gets hotter. The wind screens are now down and conditions are great. Call or email me if you have any questions.

Our goal is to have a fun, lighthearted 9-hole golf scramble. This is a great way to meet new neighbors, get together with old friends, play a little golf, and converse over dinner and a beverage!

Here are the details for 2024:

- Play will take place on the front 9 holes and will be limited to 64 players per week, with a waiting list formed after 64 have signed up.
- An invitation will go out 2 weeks prior to play through Golf Genius, which will include the buffet menu and price.
- If you sign up to play for the week on the invitation, you must also send a "Message to the Manager" stating if you ARE or ARE NOT getting the buffet that night. This must be done EVERY time you sign up to play.
- If you are not currently on the Golf Genius app for W9D, please send your name, email address, and phone number to Jason Franke or Lynn Nelson to be included on the emails for W9D.
- Deadline to sign up for play and buffet is 5:00 pm on the Monday before that Wednesday's play.
- Foursomes will be sent out from the Golf Shop before the afternoon of check-in. You will be with your playing partner each week (unless you're signing up as a single), but your twosome will be with a different twosome most of the time in order to play with different people.
- Check-in will begin at 4:00 pm the day of play on the patio outside the Pro Shop. We will collect \$3 per person for those who wish to be included in the prizes and drawings for that night. You can win only once on a given night and you must be present and have contributed \$3 in order to win a prize.

Lynn and Hal Nelson will continue to run the group this year, but the Golf Shop will help administer weekly operations. Please reach out with any questions. Since this is a new arrangement for our golf scramble, there will be a learning curve for all of us. Please be patient as we fine-tune the process to make it a pleasant experience for everyone. Thank you.
