### President's Message

by Rex Gambrell, President of Master Board

Winter is still in full swing however the first day of Spring is just a little over a month and a half away. In anticipation of spring coming the 2026 golf rates are in place and staff is preparing for another successful golf season. Back to Golf Night will be held next month as we eagerly wait for warm weather and golfing returns. By now you have probably noticed that our Irrigation, Bunkers and Forward Tees contractor, Landscapes Unlimited has begun the project that is scheduled to be completed at the end of this year weather permitting. All materials have been delivered to HEB including mainline irrigation pipe, lateral lines, irrigation heads and the associated electronics. Mainline irrigation pipe has been installed on hole 10 and they are now working on hole 11. Hole 12 will be installed after hole 10 is completed. Landscapes Unlimited will then move over to holes 4 and 5. As long as weather permits Landscapes Unlimited will continue to work on installing mainline pipe throughout the golf course throughout the remainder of this winter and into the spring and early summer months.

### General Manager's Message

by Gene Blum

Winter may bring cooler temperatures, but there's no reason to slow down! This season is the perfect time to stay connected and enjoy all that Heritage Eagle Bend has to offer. We invite everyone spending the winter in our community to stop by the Clubhouse and dine at the Eagle's Nest Restaurant. And to our snowbirds soaking up the sun elsewhere - we look forward to welcoming you back soon!

Be sure to mark your calendar for Valentine's weekend and treat your special someone to delicious food and drink specials in the Eagle's Nest Restaurant, all set in a warm and romantic atmosphere perfect for celebrating love. Keep an eye on the eblasts as we make further announcements.

Golfers won't want to miss the return of the popular HEB Ace Card. With the Ace Card, you'll receive four 18-hole rounds or eight 9-hole rounds, including greens fees and cart fees. The Ace Card is fully transferable, making it a great gift, and it's valid any day of the week after noon. Quantities are limited, so be sure to act fast!

As we move further into 2026, now is a great time to plan ahead and book your upcoming events at the Clubhouse. From weddings and anniversaries to retirement parties and milestone birthdays, our team is here to help you create a memorable celebration. Jennifer Stoneking, our Director of Sales & Catering, is happy to assist with planning and availability—popular dates are filling quickly.

Our HEBGC community is active, engaged, and full of energy, with something always happening around the Clubhouse. Be sure to watch for our eblasts to stay up to date on events, dining specials, and community activities. Whether you're new to the neighborhood or a longtime member...

**WE LOOK FORWARD TO SEEING YOU THIS WINTER  
AS WE CREATE MORE GREAT MEMORIES TOGETHER.**

## TRADITIONS TALKING BY TRADITIONS EAGLE BEND BOARD MEMBERS

### FROM ANNETTE:

February is a time to appreciate the connections that make our HEB community such a special place to live. Within Traditions, that sense of neighborliness and care truly stands out. Thank you for the kindness you share and the pride you take in our community. Wishing everyone a February filled with good health, warm friendships, and a little extra love.”

The operating results (subject to audit) for November 2025 are complete. The year-to-date net result is an underrun of \$7,107 versus a budgeted shortfall of \$12,231. There have been no major unanticipated expenses so far this year and we feel confident that our operational financials are in good shape. For November 2025 year-to-date reserve net income shows a shortfall of \$343,685 vs budgeted shortfall of \$283,146. Over the last few months, we have paid most of our invoices for both house painting and roof/gutter replacements. We will be on budget for house painting but over budget for roofs/gutters for the full year. We have replaced more roofs than originally expected and will be overrunning that reserve expense for the year.

### INCOME STATEMENTS NOVEMBER YEAR TO DATE

### SNOW – SOMEDAY

The winter of 2025 has been unusually warm and dry, which has had a positive impact on our overall snow budget.

During the calendar year, Traditions paid SaBells (also known as Environmental Design) a total of \$47,895 for snow-related services.

As a reminder, snow is pushed only when the **average accumulation throughout the community exceeds three inches**. While north-facing driveways often reach or exceed that threshold, other areas may receive significantly less snow. When those areas are included, the overall community average can fall below the minimum required for a snow push.

Each snow push costs **at least \$14,000**, so decisions are made carefully to balance safety, fiscal responsibility, and fairness across the entire community.

*Thank you for your understanding, and we wish everyone a happy and healthy New Year.*

**NEXT MEETING**  
**APRIL 13<sup>TH</sup> 2026**

### Village Voice by Marie Welch

The Village Board is looking forward to this year and has already started working on upcoming projects.

**Hotline Number**  
**303.343.4011**

In 2026, we will be painting the Algonquian and Winnipeg homes. Preliminary letters have already been sent out to those homeowners letting them know the project details and the steps to take if they want to change the building color or the trim color. We expect the project to start in May but currently do not have a set time. More information will be going out this month, so if you live in these areas look for an email blast.

We will also be continuing the roof venting project in the Algonquian area. An email will be sent once we have settled on a date.

At the end of 2025, the Board received unexpected, but welcome news. The insurance premiums for 2026 are less than what was budgeted. Currently, the Board is exploring the best ways to use this windfall. We expect to discuss this with the general membership at the April meeting.

**Snow News:** Although we have only had one snow push (at the time of this writing), let's hope for some of the white stuff. We need it!!! We are working with our snow push contractor for special pricing should we have snow in May. Their contract is for October thru April. As always when we do have snow or ice, please use caution.

Our next working Board meeting will be Wednesday, February 25 at 3:00 p.m. Our first business meeting will be Monday, April 27 at 5:00 p.m. You are welcome and encouraged to attend!

## Meet Our New Executive Chef: Tharon Weighill

Born and raised in the San Francisco Bay Area, Chef Tharon Weighill brings a bold culinary perspective shaped by both classical training and modern innovation. A graduate of Le Cordon Bleu San Francisco and Founder and Vice President of the school's Molecular Gastronomy Club, Tharon has built an impressive career marked by nationally recognized accolades. His leadership in the kitchen has earned two consecutive AAA Five Diamond Awards at Colt and Grey, Best Brunch honors from 5280 at Squeaky Bean, and the distinction of being named the #1 restaurant on TripAdvisor for an entire year at FIRE. Today, his style reflects a deep appreciation for refined technique, elevated experiences, and unforgettable "wow" moments—while still honoring the traditional classics that guests love.

Outside the kitchen, Tharon's life is fueled by creativity, family, and passion. He and his wife, an Aveda stylist, share life with their two children, Ellie and Enzo, and their energetic pup Taika. A lifelong music lover and producer, Tharon plays guitar, drums, bass, piano, and sings, sharing his work on SoundCloud under the name King Crab. A devoted sports fan and live-music enthusiast, he draws inspiration from culture, community, and flavor—whether it's classic French technique, Spanish influences, or perfectly smoked meats. Tharon is excited to bring his elevated yet polished approach to the HEBGC culinary experience.

### 2026 Master Board of Directors Election – Looking for Candidates!

*Interested Candidates:* The 2026 election for three (3) seats will take place in April. Two terms will be for three (3) years and one term will be for two (2) years. A prospective candidate must own a home in Heritage Eagle Bend Golf Community (and be on the deed) and their HOA account must be/remain current.

Applications will be available at the Administration Building (Not the Clubhouse) or by an email request to Jillian Wyatt, Community Manager, [JWyatt@heritageeaglebend.com](mailto:JWyatt@heritageeaglebend.com)

Candidates may begin submitting their applications, a brief biography (not to exceed 250 words) and a color picture.

*Deadline for submitting applications will be February 20th, 2026.*

Any application received after February 20th, 2026 will not be accepted.

After this date, anyone interested in running would have to be a write-in candidate and will not be in the newsletter, e-blasts, on the ballots etc.

## Traits of Good Board Members

*Do you have what it takes to be a good board member? Chances are you do.*

If you have a mix of some of the following traits and skills, consider running for a seat on the board. We'd love to have you.

**RESPECT.** If you can give others respect and expect it in return, you can help keep board discussions civil, productive and on point. We're looking for people who can lead by consensus, not by command.

**GOOD LISTENING.** People want to be heard. Can you listen to board members and residents with sincere interest? You may have a few ideas of your own, but everyone benefits by sharing and discussing.

**THICK SKIN.** Sometimes, residents—even other board members—can be mean and insulting. Are you good at turning a conversation around and finding out what's really bothering people?

**EGOS ASIDE.** If you can give others credit, the board will operate better as a team.

**AGENDA ASIDE.** Members who come to the board looking to help only themselves are a problem. A board is more productive when members don't have a personal punch list. Are you able to look after the community, not just your own interests? Are you willing to compromise?

**SKILL.** An association is a business. So having board members with accounting, organizational behavior and team building backgrounds can help. Someone with a financial background, for example, might make for a good treasurer.

The ideal board comprises a mix of management styles, professional skills and temperaments. If you know people with some of these traits or relevant skills, ask them if they'd be interested in joining the board. Some people don't think about running for a seat unless asked.

You don't have to know everything when you join, but you should be familiar with the governing documents and the responsibilities of the job. Fellow board members and managers can help you with the transition and train you on board responsibilities, current work, projects and hot issues.

Leaders can come from different places and backgrounds. There's no one mode that fits all. Share your knowledge and passion with the community.

If you're interested in running for the Master Board, please contact Jillian Wyatt at [JWyatt@heritageeaglebend.com](mailto:JWyatt@heritageeaglebend.com)

**COMMUNITY SNOW INFORMATION  
SAVE THIS INFORMATION!**

**Questions regarding snow pushing?**

The all community snow line is 303.343.3063. Call this number to get information regarding Traditions, Villages and Single-Family Contracts / Community. This line is updated so you can call it multiple times. Remember that snow pushing does not begin until the snow stops falling before we come and push it.

If you live in a Traditions home, your snow pushing is done by an outside group. Villages also has an outside group. Single-Family Contracted homes, as well as the streets, are handled by HEB. If you have questions regarding Traditions or Villages snow pushing and you have already called the Snow Line above, please do not call the Welcome Desk. Instead, you'll leave a message on the:

**Traditions / Villages Hotline at 303.343.4011.**

If you live in a Single-Family Home and have a Snow Contract and have questions on your service, please call Jen in the Landscaping / Snow office at 720.235.1827.

*Please remember, it is more important than ever  
to keep your vehicles off the street  
when it is snowing!*

**GATE CODE CHANGE:  
MARCH 9, 2026**

We will be sending out the new gate code to the Delegates who will then send it out to the residents in their District. If you do not know who your Delegate is, or have not heard from them by March 9th, please contact Jennifer at JBruning@heritageeaglebend.com or 720-235-1827.

As a reminder, please do not give this code out to other than family or friends.

If you have a delivery coming, please instruct them to look up your last name, find the code and call you directly from the HEB gate / interphone system. You will press "9" on your phone to open the gate. This only works when they call you from the HEB interphone system. It does not work from cell phone to cell phone.

*Thank You!*

## HEBGC Genealogy Club News!!

by Cindy Born-Mylo

Join us for our February 9, 2026 meeting at 10:00 a.m. until noon at the Clubhouse which will focus on the American Revolution – from the Loyalists' point of view. Canadian genealogist Holly Haimerl will be telling us about Loyalists during the American Revolution, what records they left behind and how to find them. For those of us who have Revolutionary War ancestors, but can't find what happened to them, they may have been a Loyalist. This is a fascinating bit of American Revolutionary War history that sometimes is forgotten when we do our research.

Holly has been a genealogist for many years, has a Certificate in Genealogical Research from Boston University, is a member of the Canadian Association of Professional Genealogists and a board member of the Quebec Genealogical society. Holly is also a genealogist for the Sir Guy Carleton & Heritage Branches of the United Empire Loyalists Association of Canada (UELAC) which is an organization that preserves Loyalist history and records.

*This presentation will be available in-person or via Zoom.  
Cost is \$10.*

### SAVE THE DATE

Keeping with our American Revolutionary War theme, our March 9 meeting will have representatives from the Sons of the American Revolution and Daughters of the American Revolution organizations who will tell us what records they have, how to access them, and a bit of history of the organizations.

*If there are any questions, please contact us at [hebgenealogyclub@gmail.com](mailto:hebgenealogyclub@gmail.com). The Genealogy Club is open to all HEB residents and meets the 2nd Monday of every month at 10:00 a.m. until noon at the HEB Clubhouse.*

## HEB Garden Club by Karon Sorensen

Happy New Year to our members, neighbors and friends of the Busy Bloomers. Our leadership team is excited to get back to our monthly meetings and events and enjoying the company of our fellow members.

Monday, February 16 we will be meeting for our 1st meeting since 2025. After our brief business meeting, Liz Folk will be leading a class on building and designing an open terrarium. The class will focus on the proper soil for succulents/cactus in a terrarium setting, how to use hardscape and decorative items, and planting and arranging the succulents we will be using. There will be a cost for the class to cover the terrarium, soil and hardscape materials.

Monday, March 16 we will be going on a field trip to Denver Botanical Gardens, York Street for a tour of the Natural History Collections at the gardens. We will be taken behind-the-scenes of the Kathryn Kalmbach Herbarium of Vascular Plants, Sam Mitchel Herbarium of Fungi, and Arthropod Collection. These collections hold precious evidence of how landscapes and populations change overtime – they are also physical time capsules of genetics and morphology. This tour will be limited to 20. If you are interested in the tour, please sign up and pay the \$10 tour fee as soon as the announcement is made.

*For questions, please contact  
Maryellen Comeau, [marycomeau@aol.com](mailto:marycomeau@aol.com)*

## Billiard's Club News by Marty Patten

As we make our way through Winter (?) and dream of Spring and playing golf or pickle ball, why not come join us in playing pool on Monday and Thursday afternoons in the HEB Billiards room. Get out of the house and join us! Billiards Club members play pool every week, so come on over!! We would really like to expand our membership and start having various competitions again. Please join us to play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play, for billiards club members, are currently Monday and Thursday afternoons from 1 to 5 pm. We can have 8 or more players at a time in the Billiards Room, so we can have members playing on both pool tables, with 4 at a time playing on each table. We can also schedule additional days and times or even

evening times if there is enough interest. If we can get more participation and enough interest, we would again like to host pool tournaments and playoffs.

If you would like to join the Billiards Club, dues are currently \$10/year, but remain suspended until we resume full normal operations in 2026. Women are also encouraged to join and in the past there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

*If you want to join the Billiards Club, or if you have any questions, please contact Marty Patten @ (303) 690-5971. Your feedback on when to schedule reserved times for play is appreciated.*

### Fun and Friendship in Beautiful Fall Weather with EB Singles

*by Joani Cravens*

Singles are following the path into 2026 with "Fun, Friendship, and Laughter". We ended 2025 with a delicious holiday dinner and entertainment provided by Monica Lee playing Christmas songs and ended with a sing-along of much loved holiday songs.

January brings two new activities: CRL games at HEB and an "Afternoon at the Movies" also at HEB. These and other activities can be found in the Singles binder at the welcome desk. Regular meetings are held on the 2nd Thursday of the month at 4 pm.

HEB residents are invited to join Singles regardless of their marital status.

*Please contact Joani Cravens at [jolycravens@gmail.com](mailto:jolycravens@gmail.com) for more information on EB Singles.*

## Tennis Club *by David Peck*

The HEB tennis club has been off to a great start for 2026. The weather has been great for playing on our courts. We played at least once a week almost every week in December and January. The tennis ball machine has been working great and is available for all members. As long as the weather is good we will take the opportunity to be on the courts. Several members have already paid their \$20 annual dues for 2026. We will get our members together soon for Breakfast and discuss our 2026 plans.

This month we feature Larry Place who started our tennis club when he moved here in 2004. Larry headed up the tennis club for the first 3 years and then again 10 years later. He started his tennis life as a child and played at Heather Ridge country club in the 1990's. Larry played a lot of tennis with his daughter through her high school and college years. Larry organized our HEB Thursday morning competitive tennis league. He started this round robin league in 2025 and we are looking forward to another session this spring. Larry has lived in Colorado since 1971 and has been very active here at HEB. Larry currently heads up the Monday Men's golf group and the HEB cribbage group. He was a former district delegate and a HEB master board member for 6 years. He also served on the MGA board for 3 years. Larry is a great tennis player and we are fortunate to have him in our club. Thanks Larry for all that you have done for all of us.

*Please contact me if you would like to come out and play some tennis with us. We are looking forward to continued growth in our tennis club.*

**Please contact me if you have any questions about the tennis program here at HEB.

## Ladies 9 Hole *by Karen Watson*

The Ladies 9 Hole League started 2026 with our traditional "Snowball Winter Social" on January 15th. It was held at Liz Folk's beautiful home. We enjoyed seeing league friends, having delicious food and drinks and making plans for upcoming golf outings.

**The outgoing leaders were thanked and the 2026 Committee Leaders were introduced:**

*Amy Knowles, Chair      Judy Peck, Treasurer  
Linda Ault, Secretary      Kira Swift, Membership  
Liz Folk, Communications Coordinator  
Karen Dorr & Tecla Smith, Event Coordinators  
Pam Finch, Exchange Coordinator  
Karen Watson, Magazine Communications*

The Committee is busy getting ready for the upcoming golf season! Our 2026 season's calendar will be ready for "Back to Golf" night scheduled for March at the Clubhouse. Our season is scheduled to begin on May 7th.

*The League's Mission is to "Promote a relaxed and supportive environment for all members regardless of skill level, encouraging friendly competition while strengthening friendships and individual golf skills" We play by USGA rules, everyone has a handicap and our scores are posted to GHIN. We play the back 9 on Thursday mornings. Tee times are set by Golf Genius through the pro shop.*

## Thursday Morning Ladies Golf Group

by Cynthia Hungerford

Hey Ladies, Spring is right around the corner and soon we'll be hitting the links for the 2026 season! But first comes "Back to Golf" night at the clubhouse. Watch for the date and time to be announced in the Weekly News from the Club in early March and come and join the fun.

If you haven't signed up for the Thursday Morning Ladies Golf Group but would like to join us, we'll have a table at "Back to Golf" night where you can give us your information and be added to the weekly email list. If you played with us last year, you don't need to sign up again.

**Haven't heard about the Thursday Morning Ladies Group? Well, here's the scoop:** This is an opportunity for the lady golfers who live in HEB to get together each week for a fun, fast and friendly round of golf with other HEB gals. It's a great way to play with your friends or meet new players.

This year, because the golf course project is underway, our Thursday play dates are scheduled to start in mid-April (weather permitting) and run through the end of August. **There are no additional fees, only your green fees are required, and players are under no obligation to play each week.** Tee times are allocated to the group by the Pro Shop and we usually start sometime during the 8:00am hour, depending on the time of year.

An invitation to play is emailed to everyone in the group 10 days prior to the play date. Interested players have 3 days to respond and the pairings are sent out the Monday before the scheduled date. Then all you have to do is show up, pay your green fees, play golf, and have fun!

If you can't make it to "Back to Golf" night but would like to be included on the email list, you can send your name, phone, and your average 18-hole score (or handicap) to [ThursdayLadiesGroup@gmail.com](mailto:ThursdayLadiesGroup@gmail.com).

## Golf Shop Corner

by Jason Franke, PGA Director of Golf

I hope everyone had a relaxing holiday season and is ready to start planning for another great golf season at HEB!

2026 Annual Passes and Rounds Packages are now on sale in the Golf Shop! Visit the website or call the Golf Shop to see what options are best to satisfy your golf itch for the year!

### Mark your calendars...

- 2026 HEB Ace Card – on sale starting February 12th on the HEB website or in the Golf Shop. Limited quantities are available so get them before they sell out! Also, you'll need our app in order to redeem your rounds, so make sure you have that downloaded! Due to our anticipated renovation project this coming Fall, all Ace Cards will expire 8/31/26.
- Back to Golf Night will be March 11th in the Antero Ballroom. Come explore all the golf opportunities available to you at HEB! Stay tuned for more information!
- 2026 Golden Eagle Classic (Men's Member-Guest) – July 16-18
- 2026 HEBGC Club Championships (Men's & Women's) – August 1-2
- 2026 Diamond Eagle Classic (Women's Member-Guest) – August 6-7

As has been our practice in Golf Operations, we will continue to be **Cart Path Only** for the winter season. This practice helps mitigate turf damage to the golf course and allows a faster start to our amazing golf course conditions in the Spring.

Thank you all for your support of the Heritage Eagle Bend Golf Operations. If you need anything or have questions or concerns, please contact Jason Franke at (303) 400-6700 or [jfranke@heritageeaglebend.com](mailto:jfranke@heritageeaglebend.com).

## GOLF CART SAFETY REMINDERS

Carts may be operated by anyone sixteen (16) years of age or older, providing that person has a valid driver's license. Please ensure that no one under 16 years of age is operating a golf cart.

Children under six (6) years of age are NOT permitted to ride on carts.

Golfers, please be careful when entering the street from the golf cart paths. Drivers, please look out for golf carts on the streets.

**Thank you for your attention to this very important safety matter. Safety is our #1 priority!**

## Men's Golf Association

by Mike McTigue

The MGA golf season is right around the corner and will start on April 8! We have 20 golf events scheduled this year providing the weather cooperates. In addition, we again have the Heritage Cup and HEB Cup available to enter and play this year.

We have scheduled a balance of fun team events and more competitive stroke play events. The dates of a few events were moved around this year to accommodate the shortened season caused by the golf course renovation project, which is planned to start in early September. We will add events in September if the project work schedule permits.

MGA dues will be unchanged from last year. In light of the abbreviated season, we increased weekly prize money pots, increased the number of CTP events to 17, and slightly increased the funding for weekly beverages.

### Please mark your calendars with a few important dates:

- March 11 - Back to Golf Night - Full Schedule of Events will be available
- April 8 - Practice round - Spring business meeting and prime rib luncheon
- April 15 - First official MGA golf event
- June 4 & 9 - Heritage Cup vs. Todd Creek
- July 15 -18 - Golden Eagle - no MGA golf this week
- July 22 & 29- MGA Championship
- August 20 & 21- HEB Cup
- August 26 - President's Revenge, business meeting, and Fall luncheon

As in past years, we will be using the MGA Portal for everything related to the MGA. This portal contains everything from League Rules (BYLAWS), points of contact, schedule of events and weekly results. Everyone who played last year will automatically be transferred to this year's roster and once your dues are paid, you will be all set to play and attend the Spring Luncheon/Business meeting. You will be receiving information along with your access to the portal once we are all set up and ready to go.

If you are new to Heritage Eagle Bend, recently retired or a long time resident and want a very enjoyable golf experience on Wednesday mornings, you should consider joining the MGA. The MGA is for all levels of golfers with no handicap restrictions (just need a valid GHIN) and is a great way to play golf with your neighbors and friends (and make new friends). Play takes place on the Gold, White and Green tees depending on your preference, age and/or handicap.

**IN THE MEANTIME, STAY HEALTHY  
AND WE LOOK FORWARD TO SEEING YOU  
AT BACK TO GOLF NIGHT AND ON THE LINKS IN 2026.**

## Women's Golf Association

The 2025 PGA National Club Championship was held the first weekend in December at the three beautiful and very challenging courses in California Coachella Valley - PGA West Nicklaus and Stadium courses and the Indian Wells Celebrity course. Deb Snead, who won the HEB club championship in August, proudly made the trip to the desert and said, "Playing in the PGA Club Championship was beyond awesome; it was really a once-in-a-lifetime experience. And it's not lost on me how fortunate I am." Deb had been chasing the HEB Club Championship crown for a few years and said, "The thing I remember most about winning the HEB Club Championship was how happy Amy and Linda were for me. That meant a lot." (Her friendly rivals who seem to get paired together A LOT during competitive play.) The PGA Stadium course was the most challenging of the three as it is known for its deep and numerous sand traps along with numerous water hazards. However, one hole in particular stands out — #17 known as Alcatraz. A par-3 completely surrounded by water. In other words - an island. There is not much room for error, as you either land the green or say goodbye to that brand new ball. Well, Deb was one of the fortunate golfers who landed the green and walked away with a par. She was quite excited to say the least. Her two playing partners found the water a combined seven times! Ouch!

### CONGRATS DEB ON A GREAT YEAR OF GOLF.

Ladies, we all have a chance to up our game in 2026. We look forward to re-connecting with you at Back to Golf Night in March, taking lessons together from our Pros, playing in the WGA with you or any other opportunity HEB offers to increase our golf skills, enjoy the sunshine and each others company in the new year!

## What does Bill- 23-1161 change?

In 2023, Colorado passed House Bill 23-1161, which states that beginning **January 1, 2026**, all gas furnace installations in the state of Colorado must meet a minimum requirement of either ENERGY STAR® rated or Ultra Low NOx.

## What does this mean for you?

Soon, simply replacing your current furnace with the same type will no longer be a viable option. Delaying this decision could result in costs that are two to three times higher. If you're uncertain about replacing your furnace, now is the perfect time to take action.

## What's the good news?

There is a one-year grace period permitting continued gas furnace installation, but distributors are no longer receiving new shipments. Units can still be installed as long as existing supplies remain.

## Why choose us to do the work?

The function and lifespan of your furnace have everything to do with the quality of the installation and the expertise of the technician. We are known for our high standard of work, as well as our dedication to premier installations. We have been passionately serving our community for over 28 years. We are dedicated to providing a five-star level of service through our motto, "The mark of excellence through a culture of caring."

## What is ENERGY STAR®?

ENERGY STAR® is a government-backed program that identifies products meeting high standards for energy efficiency, helping business and individuals save money and protect the environment. The label is awarded by the U.S. EPA and DOE to appliances, electronics, and building products that deliver superior energy performance. Since Colorado falls in the North region per ENERGY STAR® guidelines, this means the current minimum AFUE in Colorado is 95%; on July 31, 2026 it will increase to 97%AFUE

## What is Ultra Low NOx (ULN)?

NOx is an abbreviation for nitrogen Oxide - a collection of greenhouse gasses that impact the environment. These gasses are released when fuel is burned at high heat like in an engine or gas furnace. Ultra-Low NOx refers to emission limits on nitrogen oxide, which cannot exceed 14 ng/J. In effort to lower greenhouse gas emissions, some areas are regulating the nitrous oxide (NOx) emissions of residential gas furnaces.

### **A review from an HEB resident:**

"We found A Caring Hand & Heart from an ad in the HEB newsletter when we decided my Mother needed more care than my Father, sister, and I could reasonably provide (in addition to hospice). They were in a word -Fabulous! We were assigned Destiny and she turned out to be such a gift to my Mother and family! When Mom was sleeping, Destiny would do laundry, clean the kitchen, or straighten up. When my Mom was awake, she colored with her, made and fed her meals, talked about life, listened to music, looked at pictures or whatever. I really can't say enough great things about the organization and Destiny specifically. We had a great experience!"

*You deserve care and quality when buying or selling your home here in Heritage Eagle Bend! I have lived in this beautiful community for over 13yrs and I guarantee you will be in good hands with me!*
