President's Message

by Rex Gambrell,

President of Master Board

As we move towards fall the Master Board of Directors is beginning to prepare for a new year. In October the Board will finalize a proposed 2027 Operating Budget that we will submit for your ratification. Below are a couple of key dates that you can put on your calendar:

- Wednesday, September 30th at 2:00 pm: Town Hall in the Antero Room to present proposed 2027 budget.
- Thursday October 1st budget materials will be emailed to delegates, who will share with residents in their district.
- Thursday, October 29th is the deadline for returning your ballot to your delegate.
- Monday, November 2nd at 5:30 pm is the budget ratification vote by delegates.

Attending the town hall is an opportunity to learn about HEB's operations along with the budget details. Please be sure to fill out your ballot and return it to your delegate, so that your decision is represented during voting. If you do not vote, your delegate will make that decision for you and cast your ballot.

November 3rd is election day. We invariably get questions about rules for campaign signs, so here are a couple of reminders:

- At HEB, you can display a maximum combination of three signs and/or flags. An American flag counts toward the total of three. That limit is contained in our community's Residential Improvement Guidelines (RIGs), along with details about sizes and placement of signs and flags.
- Colorado law specifically prohibits our Board and management from regulating the content and language on signs. Of course, we hope everyone will exhibit reasonable taste in the language used, however, that is beyond our control.
- If you plan to display signs or flags, please familiarize yourself with section 2.35 of our RIGs, which addresses this subject.
- You can find the RIGs on our HEB website. We all appreciate your cooperation with the RIGs that have been established by the community.

As you know last week an email blast went out to all Heritage Eagle Bend residents that the next phase of the golf course Irrigation, Bunkers and Tees project will start on Tuesday September 8th right after Labor Day. Holes 1 thru 9 will be closed down so that the installation of lateral lines for irrigation heads, installation of forward tees and bunker renovation and improvements can be made. Completion of the front and then afterwards the back nine is still projected to be completed by mid to late December so long as there are no significant delays, unforeseen issues or weather impacts. On occasion there will be temporary closures of cart paths and the tunnel. And of course, residents are not allowed to be on the front or back nine when construction is ongoing for the safety of everyone. During the closure of the front nine golfers will have the option of playing nine or eighteen holes on the back nine or holes ten through eighteen. There will be tee times available from 7:30 in the morning to 9:30 and then additional tee times are available in the afternoon from 12:00 to 2:00. So, golf will continue during construction.

General Manager's Message by Gene Blum

As the crisp fall air settles in and the leaves begin to change, I always find myself looking forward to this time of year at Heritage Eagle Bend. Summer may be winding down, but there is still plenty happening around the Club, and some of my favorite HEBGC traditions are just ahead.

One event I'm particularly excited about is our Rodney Strong Wine Dinner on October 26th. These wine dinners have become such a fun way for our residents to get together, enjoy a great meal, and try some exceptional wines. I hope you'll join us for what promises to be another wonderful evening.

And if you enjoy dining at the Eagle's Nest, be sure to keep an eye on your email for announcements about some of the special nights we have planned this fall. We'll be bringing popular favorites, including our Prime Rib Night Buffet, along with other special dining experiences throughout the season. There's always something new and delicious happening in the kitchen, so we hope you'll make the Eagle's Nest part of your fall plans.

I also want to recognize Executive Chef John Yorkey and his entire culinary team for all of their hard work. Since joining us, Chef John and his team have been putting a great deal of thought and creativity into our breakfast, lunch, and dinner menus. Their goal is not only to serve great food, but to continually give you new reasons to come back and enjoy a meal with friends and family. I encourage you to stop in, try some of the new menu offerings, and let the team know what you think.

November will bring two very special traditions to the Club. On November 11th, we'll host our Veterans Day Buffet. This is always a meaningful day for our community, and I look forward to gathering together to recognize and thank the men and women who have served our country. Veterans will be invited to enjoy a complimentary dinner as a small gesture of our appreciation for their service and sacrifice.

Then, on November 26th, we'll gather for our annual Thanksgiving Day Brunch. Thanksgiving is one of those holidays that is all about family, friends, and spending time together, and I love seeing the Clubhouse filled with people enjoying the day. It has become a wonderful tradition here at HEBGC, and because it is always a popular event, I encourage you to make your reservations early.

Before we know it, the holiday season will be upon us. One of my favorite things about this time of year is watching the Clubhouse and Community come alive with holiday lights and decorations. Our staff and residents put so much time and effort into making everything look beautiful, and I'm always amazed at the transformation. The holiday lights will officially be turned on November 27th, the day after Thanksgiving, kicking off the holiday season at the Club.

There is something special about fall at Heritage Eagle Bend. The pace may change a little from the busy summer months, but the opportunities to get together, enjoy a great meal, attend an event, or simply spend time with friends are still everywhere.

I hope you'll take advantage of everything happening around the Club in the coming months. More importantly, I hope I get the chance to see many of you along the way. Thank you, as always, for making Heritage Eagle Bend such a wonderful place to work, live, and gather together.

HERE'S TO A GREAT FALL SEASON AT HEBGC!

NOTES FROM ANNETTE ::

October in Colorado brings beautiful fall colors, crisp mornings, football weekends, and the annual question: How long before our first snow? Whether you're enjoying the changing leaves, sneaking a little Halloween candy, or just soaking up those gorgeous Colorado days, I hope you enjoy everything this season has to offer. Happy October, Traditions!

FINANCIALS

The operating results (subject to audit) for July 2026 are complete. The net result is an overrun of Net. Income of \$102,356 versus a budgeted underrun of \$12,575. This large Net Income overrun is due to the Snow Push expenses. As you can imagine, there was a large underrun in snow push expense for 2026. These savings should remain for the rest of the year. However, with the City of Aurora being in a water restriction mode, we will monitor the water expenses throughout the summer. We are hopeful that we will not have to use any of the snow push savings for any water expenses. The reserve results for July are complete as well. The net result is an underrun of \$110,265 versus a budgeted underrun of \$166,038. We have received the expected large invoices for Roofs, Gutters and Painting which is causing this underrun. Overall, we do not see any issues with these expenses.

IRRIGATION

Please be advised that September watering has been reduced to remain compliant with the Water Department's seasonal allotment. Our water usage throughout the summer was strategically managed to ensure plant health remains in the best possible condition heading into the fall and winter.

Due to the ongoing drought, we may be required to shut down the irrigation system in early October, which is a couple of weeks earlier than usual. Thank you for your understanding and cooperation.

PAINTING

Thinking about a new color for your home? Now's the time to start looking! In **spring 2027**, we'll be painting District 29 and all of District 30, including **both sides of Canyon Place and the homes on S. Quatar Court**. And there's even more to choose from this year! We've added some **exciting new colors** to our approved paint selections. Stop by the Admin Office to see the complete collection and start imagining a fresh new look for your home. If you would like to change your home's base, trim, or front door color, please complete an Architectural Submittal Form and return it to the Admin Office no later than December 15, 2026. Have a roof-mate? Because adjoining homes are painted using the same approved color palette, **both homeowners must agree to the color change and sign the Architectural Submittal Form** before it is submitted. **Happy with your current colors?** You don't need to do anything! Your home will simply be repainted in its existing colors. So, whether you're ready to try something new or love your home just the way it is, we're looking forward to another great painting season in 2027!

LANDSCAPING

Our landscaping contractor, EDI has completed the final pruning of the shrubs. Within the next 30-45 days the fall fertilization will be applied. Coming up in October the lawns will be aerated in addition to the fall cleanup. That will be it for the year.

Village Voice by Marie Welch

Happy Fall Everyone! Just a quick reminder that, if you haven't already done so, it is time to empty your pots of dead plants and store your pots and summer gardening items out of sight. Fall clean-up will begin as soon as the leaves are all off the trees.

It is not too early to begin thinking about snow! We are certainly hopeful that we will have more moisture this year. Our snow contract runs from October 1 through April 30. Snow will be pushed at two inches (2") AFTER the snow stops. Here are some key points to remember:

IF you put down any type of ice melt, we ask that you NOT use a salt-based produce as this eats the concrete.

- During storms and dark winter days, we ask you to leave your FRONT PORCH light on as this helps the snow removal process.
- The SNOWLINE number is 303.343.3063. This will be updated during storms for crew progress.

Please watch your mail for the 2027 ballots that contain the proposed 2027 budget and Board member elections. All ballots are due by noon on Friday, October 30. The last business meeting of the year will be on Wednesday, November 4 at 5:00 p.m. The results of the election will be announced. Please plan to attend this important meeting.

FALL CLEAN UP!

As Fall approaches, here are some reminders!

Fall is upon us, and with the colder weather approaching, we know people are beginning to think about prepping their homes for the upcoming seasons. Below is some helpful information on commonly asked questions regarding the colder weather and keeping the exterior of your home neat and well maintained:

Exterior Storage – No storage is permitted on the exterior of the property. This includes lawn mowers, ladders, gardening tools etc. Empty pots must be rid of dead plants, as well stored out of site. Storage sheds are also not permitted.

Leaf Clean-Up – Make sure to take a look at your yards once the trees shed their leaves, and be sure to rake and bag any fallen leaves. Please do not blow them into the streets.

Artificial Flowers – As much as we may start to miss our summer flowers, artificial flowers are not permitted and may not be used in the landscaping or exterior decorations of homes.

Tree Trimming Reminder

– If your trees in your Tree Lawn (area between sidewalk and street) have over-hanging branches on the sidewalks or streets, please be certain to have them trimmed at your earliest convenience.

Please note per City of Aurora, trees must be trimmed to a minimum height of 8 feet above sidewalks, and a minimum of 13.5 feet above streets.

As a reminder, **ALL** exterior improvements require advanced approval before starting any work. This includes but is not limited to paint, roofs, decks, awnings, railings, landscape, fountains, hot tubs, patios, concrete projects, and all fencing. Please contact the Administration Building at 720-235-1888 or Alison Gulley at AGulley@heritageeaglebend.com for ACC forms and more information.

We thank you in advance for all your hard work in keeping your home and our community a wonderful place to live!

Blood Drive :: Fill it to the MAX!!

Are you ready? Can you help? **Friday, October 23rd, 2026**, will be our last blood drive for 2026*. It will also be the last drive where I serve as your community liaison to Vitalant Blood Services. Soon we'll have the good fortune to have Patty Shaw and Kristi Snyder coordinating these drives. Mark your calendars for Friday, February 19, 2027, to help them get off to a fantastic start.

I, personally, would love for this drive to be "ALL ARMS ON DECK" for those who are able. We are striving to meet our maximum number of appointments, **101 (one hundred one)** and hope that if you can help, this cause may speak to you.

Blood donation is a critical, irreplaceable medical necessity because blood cannot be artificially manufactured, meaning patients rely entirely on the generosity of volunteer donors to survive. In the United States alone, **someone needs blood every two seconds**, and a single whole blood donation can be separated into components to save up to three or four lives.

Mark your calendars to help us finish the year with the highest numbers ever. Contact junegoddardcolorado@gmail.com for questions or to make an appointment.

**As we did last year, there will be a pop-up blood drive in our parking lot on Vitalant buses during the holiday season. Details will be provided by Vitalant at a later time.*

New Community Blood Drive Leadership

Hello everyone, I'm Patricia Shaw, i.e., "Patty". My husband and I moved to HEB in May 2026, and it has quickly become home. I have truly enjoyed getting to know my neighbors and taking advantage of the active lifestyle the community offers, especially spending time at the pool and in the fitness center.

I am an educator with many years of experience in K–12 education and currently serve as a Department Chair at the Community College of Aurora, where I oversee five academic programs. Throughout my career, I have been passionate about education, service, and building strong community connections.

I am excited to serve as the next **Blood Drive Liaison** because supporting healthcare has been an important part of my life for decades. I began volunteering in hospitals while I was still in high school, and that passion has continued throughout my life. My husband is a retired surgeon, and together we have facilitated Advanced Trauma Life Support (ATLS) courses for the American College of Surgeons. Our family's connection to healthcare also extends to our son, who is a Medevac pilot. He flies for a company that specializes in transporting organs for transplantation, helping ensure that donated organs reach the patients who need them most.

Becoming the Blood Drive Coordinator for our community, working directly with Vitalant Blood Services, is a meaningful opportunity to give back to my new community by combining my lifelong interest in medicine with my commitment to service. **I look forward to helping make blood donation easy, impactful, and a rewarding way for our community to care for one another.**

My name is Kristi Snyder, and I'm honored to serve as your new **Blood Donation Ambassador**. My husband and I moved to Heritage Eagle Bend in November 2025, after I helped dear friends find their home here. During that process I completely fell in love with the community—the people, the lifestyle, and the incredible sense of connection. Before long, we knew this was exactly where we wanted to call home ourselves.

As we settled into the community, I knew I wanted to find a meaningful way to give back—something that truly reflected who I am and gave me the opportunity to make a difference. Becoming Heritage Eagle Bend's Blood Donation Ambassador felt like the perfect fit. It's a chance to connect with our amazing neighbors while helping save lives, and I can't think of a better way to serve this wonderful community. I love everything Colorado has to offer, and I'm grateful to call Heritage Eagle Bend home.

I'm a proud Colorado native and earned my degree in Housing and Design from Colorado State University. Professionally, I'm a licensed Real Estate Broker and Professional Home Stager, and I like to think of myself as a **Real Estate Matchmaker**—helping buyers find the perfect home while connecting sellers with the right buyer.

Giving blood has become one of the *most meaningful things I do*. My very first donation was at Ponderosa High School. A good friend and I even turned it into a friendly competition to see who can donate the fastest—we even have a trophy to prove it! I've now donated more than **five gallons** of blood, and I'm excited to help Heritage Eagle Bend continue making an impact. Whether you're a longtime donor, thinking about donating for the first time, or simply curious about the process, I'd love to answer your questions and help make donating easy and rewarding. I look forward to meeting many more of you and helping our amazing community continue doing what it does best—taking care of one another, one donation at a time.

HEBGC Genealogy Club News!!

by Cindy Born-Mylo

THE GENEALOGY CLUB IS BACK! WE HOPE YOU HAD A GOOD SUMMER.

Taking a break from our 250 America celebration, please join us for our October 12 meeting at 10:00 a.m. until noon at the clubhouse which will once again feature Michele Kennedy from the Douglas County Sheriff's Office presenting a cold case from the Douglas County Sheriff's Office that was solved using IGG. Her presentation is A Three-Decade Journey to Justice: The Roger Dean Homicide Investigation. On November 21, 1985, shots rang out in Lone Tree, Colorado. The Douglas County Sheriff's Office responded to several 911 calls finding a man bleeding in the street and a woman wearing a bath robe standing over him in the snow. She had tape above her eyes and her wrists were bound. The woman was screaming that they had been robbed and her husband was trying to get away. Her husband tragically died in the ambulance on the way to the hospital. Five years later the case was still unsolved, and the surviving widow was the target of unsuccessful extortion attempts. Both cases remained unsolved for over three decades until 2021 when investigative genetic genealogy (IGG) and a tip provided answers.

Michele Kennedy is a Crime Analysis Supervisor and Investigative Genetic Genealogist with the Douglas County Sheriff's Office where she has worked since 1994. She holds a bachelor's degree in sociology/criminal justice and a master's certificate in forensic criminology. She is also a Certified Law Enforcement Analyst with the International Association of Crime Analysts (IACA) and volunteers helping adoptees and other searchers identify their birth parents using genetic genealogy. Michelle is very active in IGG community.

This presentation will be available either in person or via zoom. The cost is \$10 payable at the door.

What A Wonderful World by Sheryl Hutchings

In addition to still-life subjects, which were last month's thematic focus, landscape scenes are a favorite subject for most painters, and the possibilities are endless. The Watercolor and Beyond painters embraced this theme for September with gusto, and their creations pay fitting tribute to the wonderfully colorful world in which we live. Also included are two lovely still-life paintings which were inadvertently omitted from last month's article. Apologies go out to Carol Taylor and Pam Voges for these omissions!

Bocce by Cathy Murtha

Here it is October and the end of the 2026 Bocce season will end on Friday, October 9th. With no more balls to throw, the season's a wrap! And what a season it has been. The Club had several new players join the competition who proved to be tough contenders. There were changes instituted to the rules that were well received. From first to last ball, we've had fun!

The Spring Pairs Leagues tested out several different changes and then voted at the end of the season for their favorites. The winners were the prearranged line-ups for the Pairs leagues and the advantage of last throw which was utilized for all leagues. The leadership committee listened to your comments, and we hope the changes addressed some of your concerns.

The Fall season saw a slight drop in registration numbers, with many members out with planned vacations. Even with the smaller numbered leagues, the competition didn't ease and the whoops and hollers on the court still echoed through the air. We opened up Wednesday PM Drop-In Play in addition to Friday mornings for make-up games or just to play for fun.

In spite of all the rain we received, we came, we bocce'd, we conquered! After all, the members made the 2026 Bocce season a successful one! Remember that even though the league equipment is tucked in for the Winter, if the weather is good, everything you need to play a few games is located in the gray tubs under the ball racks.

The Bocce Leadership Committee wishes you a healthy and fun Winter Season, and we look forward to seeing all your faces in 2027 for more Bocce fun!

LIFE IS GREAT — BOCCE MAKES IT BETTER!

If you would like to reserve the Bocce courts during off league play, please contact Mary Jo Collins at big_strong_woman@yahoo.com or 303-810-1725 and she will help you. If she doesn't answer, please leave a message and she will get back to you.

Chavurah is a Hebrew word meaning "fellowship". The HEB Chavurah is a warm, welcoming, Jewish group, that gathers monthly to build meaningful connections, celebrate traditions, and support one another through all of Life's moments. Throughout the year, we enjoy together a variety of activities, including a festive Hanukkah party, a community Passover Seder, a spring Havdalah service, movie night, plays, a summer barbecue and many, many more gatherings. We also strive to support our members through challenging times, including illness and loss of loved ones. Our goal is that no one faces life's challenges alone. Pickleball

MORE THAN A GAME: BUILDING COMMUNITY WITH HEB PICKLEBALL

As the autumn air moves in, the Heritage Eagle Bend Pickleball Club is celebrating a spectacular summer. Our 366 members stayed highly active both on and off the courts, proving that our club is about much more than just a sport, it is about community.

On-court action reached new heights this year. The Academy, led by Terry Kasper, broke records by hosting six successful Boot Camps for beginners, introducing dozens of new residents to the game. The competitive spirit was also alive and well with a thrilling Spring Round Robin Tournament organized by Ralph Rewers, and a popular 6-week Ladder League run by Lou DiMaria and Murray Platt that drew 52 eager participants competing across three skill levels.

Off the courts, our amazing social committee, led by Gerri Rudig, kept the energy high all year long. Members stayed connected during the colder months with a January Open House and a lively February Trivia Night. Once the sunshine arrived, the club hosted a packed summer lineup featuring a June picnic, a July Bocce/Ice Cream Social, and an August Pool Party. Tuesday night social play also kept neighbors laughing and mingling weekly.

Pickleball remains the ultimate way to get great exercise while making lifelong friends. If you missed out on the summer action, it is not too late to get involved, plans are already well underway for the remainder of the year. Members can look forward to our highly anticipated annual Holiday Party in December.

Whether you are a seasoned player or a curious beginner, we cannot wait to see you out on the courts this fall!

It's exciting to say that our long-awaited course renovation is finally here after years of planning and preparation! Tennis Club *by David Peck*

The HEB Tennis Club has had a wonderful summer, and with fall arriving, the weather is perfect for tennis. We currently have games scheduled six days a week. Most days, both courts are fully in use with extra players rotating in every game.

Thursday mornings are dedicated to competitive round-robin games, organized by Larry Place. Eight players use two courts for 24 games, changing partners every eight games and tracking win percentages. This has brought an enjoyable level of competition to our routine. On the other days, we focus on sharpening our skills and improving our game. Above all, the social aspect of our club is fantastic, and we have built great friendships.

OCTOBER FEATURED MEMBER: MARTY WARD

Our featured member for October is Marty Ward. Marty has been playing tennis with us for many years and brings a great game to the courts.

Marty was born in Independence, Kansas, and grew up in Wichita. He started playing tennis in high school on public courts and alongside the high school team. He attended Wichita State University and began dating his wife, Candy, while they were students at Wichita East High School.

The 2027 Leadership Team will consist of Chet Vinci, Terry Mahlman, Mike McTigue, Tracy Weathers, Dave Snider, and Past President Larry Cotter.

Ladies 9 Hole by Karen Watson

We say farewell to the 2026 9-hole golf league season. It was short but sweet due to the irrigation improvements being made on our course. We'll appreciate that work when our fairways, tee boxes and greens look better than ever for the 2027 season.

Our closing day on August 27th, we played an amazing 3x3 Chaos Cup. It was great fun, but challenging to say the least. We played a different golf game for each three holes. Prizes were awarded to the team with the best score:

Holes 10-12

A step aside 4-person scramble and using your driver to putt

Winners: Nancy Barber-Chase, Cathy Moes, Linda Rydberg and Amy Knowles

Holes 13-15

A 2-person alternate shot

Winners: Linda Ault and Vicky Dyciewicz

Holes 16-18

A Dicey Roll after teeing off a dice roll determined which drive would be used then a step-aside scramble was played to the hole.

Winners: Vicki Thompson, Cindi Binegar, Cindy Carey, and Cindy Keresey

Lots of teamwork, golf skills and laughing were used as we completed the round. We hope this becomes an annual tradition.

Sadly, we said goodbye to some long-standing committee members who have made the Ladies 9-hole League a fun and learning golfing experience for all levels of golfers. Those leaving their leadership roles are: Linda Ault, Secretary; Tecla Smith and Karen Dorr, Event coordinators; and Liz Falk, Communications Coordinator. Thank you all for your creative ideas and commitment to making the Ladies 9-hole League a success at HEB.

These departures also mean that we need volunteers to fill some positions on the Leadership Team. Carol Brust has agreed to step in as Secretary, and Donna Aro will be filling our Membership Coordinator role. We still need volunteers to fill in as Communication Coordinator and Event Coordinators. If you are interested in these positions, please contact Amy Knowles, dyce21know@gmail.com or 860-8075270. She will be happy to give you a job description and we would love to have you join the leadership team.

Our last exchange event was at Common Ground golf course on September 14th. The theme was Margarita Ville and a delicious Mexican Food buffet was served after play. These exchange events continue to be fun and enjoyed by our members. A huge thank you to Pam Finch, for doing an outstanding job coordinating the exchanges.

A special thanks to our Golf Pros and staff and especially Alan Thatcher, Zane Zwemke and Jason Franke for their continued support throughout the season. Our league days, tournaments, and exchanges have run smoothly each week because of the dedication of the Golf Shop and Eagle's Nest staff.

Women's Golf Association *by Marnie Goeschel*

CELEBRATING THE WOMEN'S GOLF ASSOCIATION'S 2026 GOLF SEASON

There is something special about a golf season shared with good friends. It is found in the laughter before the first tee shot, the encouragement after a difficult hole, the celebrations of a well-played round, and the stories that grow a little better each time they are told.

As we look back on the 2026 golf season, the WGA has much to celebrate. It was a year filled with spirited competition, memorable accomplishments, new friendships, and—most importantly—the camaraderie that makes our association such a wonderful part of the club. From weekly play to our major championships, our members continued to demonstrate that women's golf is about far more than the scorecard. It is about showing up, supporting one another, challenging ourselves, and enjoying every opportunity to be together on the course.

Every season has its moments of triumph, and 2026 certainly delivered its share. Congratulations to **Becky Genet**, our **WGA Gross Tournament Champion**, **Amy Knowles**, our **WGA Net Tournament Champion**, and **Lori Foglia** as winner of the 2ND Annual Diamond Eagle tournament. Throughout the season, members competed for points, trophies, and bragging rights, with many golfers turning in outstanding performances. The **WGA Cup points race**, **Par 3 competition**, most improved golfer, and the various **flight champions** provided plenty of excitement throughout the year. Congratulations to everyone who earned a place among this year's leaders, including those finishing first and second in their respective flights. You may remember from our previous article that **Deb Snead** achieved **two holes-in-one in the same week**. An accomplishment like that is remarkable and **Channel 7 News** agreed, airing her achievement a few weeks ago during their sports segment.

A successful golf association doesn't happen by accident. It takes volunteers who are willing to give their time, energy, creativity, and enthusiasm to make each season special. We extend our heartfelt appreciation to the outgoing **2025–2026 WGA Board**:

Linda Schippers — *Chair*
Glenda Gambrell — *Vice Chair*
Debbie Mascis — *Secretary*
Glenda Gambrell — *Treasurer*
Shirley Owens — *Tournament*
Shirley Gillespie — *Social*
DeDe Rose — *Sunshine*
Marnie Goeschel — *Publicity*

Thank you for the countless hours behind the scenes, the organization that keeps everything moving, and the personal touches that make our events enjoyable. Your leadership and commitment have helped build another successful season for our members.

As one season comes to a close, another begins—and we are delighted to welcome the new **2026–2027 WGA Board**.

Glenda Gambrell — *Chair*
Marnie Goeschel — *Vice Chair*
Jennifer Lorimer — *Secretary*
Shirley Owens — *Treasurer*
Anne Johns — *Tournaments*
Deb Petris — *Publicity*
DeDe Pomeroy — *Social*

We look forward to another year of great golf, fun events, friendly competition, and opportunities to bring our members together. The new board is anxious to welcome old members back and any new women that may be interested in joining this league.

When we think about the 2026 season, we will certainly remember the champions, the trophies, the birdies, and those unforgettable shots. But the memories that last longest are often the ones that don't appear on the leaderboard. They are the conversations between holes, the cheers from the group when someone finally breaks through with a great round, the new golfer who finds confidence, the laughter after a particularly memorable shot—and yes, sometimes the laughter after one that was decidedly less memorable! That is what makes the WGA special. To our champions, our competitors, our board members, and every woman who stepped onto the first tee—we thank you.

A Caring Hand and Heart can help you or your loved ones
maintain independence for as long as possible, within the
comfort of their own home.

A review from an HEB resident:

"We found A Caring Hand & Heart from an ad in the HEB newsletter when we decided my Mother needed more care than my Father, sister, and I could reasonably provide (in addition to hospice). They were in a word -Fabulous! We were assigned Destiny and she turned out to be such a gift to my Mother and family! When Mom was sleeping, Destiny would do laundry, clean the kitchen, or straighten up. When my Mom was awake, she colored with her, made and fed her meals, talked about life, listened to music, looked at pictures or whatever. I really can't say enough great things about the organization and Destiny specifically. We had a great experience!"
