President's Message
by Rex Gambrell, President of Master Board

Our Landscape contractor has made great progress with completing bunker renovations, installing forward tees and installing lateral line for new irrigation heads. I am writing this article as of October 10th and according to their progress I can see that the project is headed towards completion on the front nine. Landscapes Unlimited has committed 40 to 50 workers on our project in order to get it finished as quickly as possible. Completion of the project is still anticipated to be mid to late December so long as there are no significant delays or weather impacts.

I want to thank all of you throughout the community for your patience and understanding while we go through this massive golf course renovation project. With any undertaking of this size there are bound to be a few things happen that create issues for some people. However, considering the $10,400,000 investment from all of our residents in this project we should all be proud of the improvements to our golf course and overall community.

General Manager's Message *by Gene Blum*

It's hard to believe we're already approaching the end of another year! It seems like just yesterday we were welcoming the arrival of spring, and now the holiday season is just around the corner. There is a wonderful energy around Heritage Eagle Bend Golf Club right now as our team prepares to decorate the Clubhouse, plan special events, and welcome residents, friends, and family for a season filled with celebration.

We'll begin the month of November by honoring some very special members of our community. On November 11, we'll host our Veterans Day Dinner, a tradition that is especially meaningful to me and to our entire HEBGC team. Veterans will enjoy a complimentary buffet dinner as our way of saying thank you to the men and women who have served our country and helped protect the freedoms we enjoy every day. We hope you'll join us in recognizing and showing our appreciation for these heroes.

Then, on November 26, we'll gather for one of my favorite traditions of the year—our Thanksgiving Day Brunch. Our culinary team is preparing a wonderful holiday feast, and there's something special about seeing the Clubhouse filled with families, friends, and neighbors enjoying a meal together. It's a great way to celebrate the holiday and take a moment to appreciate all that we have here at Heritage Eagle Bend.

The holiday spirit will continue into December with several exciting events. On December 5, Santa and Mrs. Claus will make their annual appearance at our Brunch with Santa. It's always a fun morning for families, with great food, holiday cheer, and, of course, the opportunity to get a photo with Santa himself.

On December 14, we'll host our Annual Resident Holiday Party, featuring a delicious grand buffet and live carolers throughout the Clubhouse. This has become a wonderful tradition and a great opportunity to gather with friends and neighbors and enjoy the holiday spirit together.

And then, on December 31, we'll close out the year with our New Year's Eve Celebration. With music, dancing, a champagne toast, great food, and plenty of fun, it will be the perfect way to say goodbye to 2026 and welcome the New Year together.

Behind the scenes, our staff and resident volunteers will soon be hard at work transforming the Clubhouse, gatehouses, and surrounding trees with thousands of twinkling lights and festive decorations. I always enjoy seeing the transformation, and I know how much time and effort goes into making everything look so beautiful. The lights will officially come on the day after Thanksgiving, so I encourage everyone to stop by, take a look, and enjoy the holiday atmosphere around the Club.

The holiday season is always a special time at Heritage Eagle Bend, and what makes it most special is seeing our community come together. Whether you're traveling to visit family or staying close to home, I hope the coming weeks are filled with good health, good friends, family, and plenty of reasons to celebrate.

Thank you for making Heritage Eagle Bend such a wonderful community. From all of us at the Club, we wish you a happy, healthy, and safe holiday season. We look forward to celebrating with you and making this another memorable holiday season at HEBGC!

NOTES FROM ANNETTE:

November brings cooler days, cozy evenings, football weekends, and a reminder to appreciate the good things around us. I'm especially thankful for the neighbors, friendships, and sense of community that make Traditions such a special place to call home. Wishing everyone a wonderful Thanksgiving filled with good food, good company, your favorite team on TV, and very few discussions about calories! Cheers!!

FINANCIALS

The operating results (subject to audit) for August 2026 are complete. The net result is an overrun of Net Income of $75,549 versus a budgeted underrun of $24,065. This large Net Income overrun is due to the Snow Push expenses. As you can imagine, there was a large underrun in snow push expense for 2026. These savings should remain for the rest of the year. However, with the City of Aurora being in a water restriction mode, we will monitor the water expenses throughout the summer. We are hopeful that we will not have to use any of the snow push savings for any water expenses. The reserve results for August are complete as well. The net result is an underrun of $102,984 versus a budgeted underrun of $139,632. Overall, we do not see any issues with these expenses.

PAINTING

2027 Exterior Painting – Districts 29 & 30

It's time to start thinking about exterior paint colors! Homes in Districts 29 and 30, including E. Canyon Place and S. Quatar Court, are scheduled for painting in Spring 2027. Homes on the south side of Canyon Place have been moved up one year so both sides can be painted together. We've added several exciting new color options, with samples available in the Admin Office. If you'd like to change your home's body, trim, or front door color, Architectural Change Forms are available at the Admin Office and must be submitted by December 15, 2026. Remember, homeowners with joined homes must agree on body and trim colors, and both must sign the form. Keeping your existing colors? No action is needed!

Village Voice *by Marie Welch*

Results of the proposed 2027 Budget and the election of Board Members will be announced at the November 4 Business Meeting to be held at 5:00 p.m. Please plan to attend this important meeting. It will be the last Business Meeting for 2026. We will hold a working session Board Meeting on Wednesday December 2 at 4:00 p.m., and all are welcome to attend.

Our first xeriscaping project has been completed and looks amazing. Plants will be placed in the spring. We will continue to work on these projects as weather permits.

With cold weather advancing we hope we will have more snow this year than last year. Our snow contract is in effect from October 1 through April 30. Snow will be pushed at two inches (2") AFTER the snow stops. Here are some key points to remember:

- IF you put down any type of ice melt, we ask that you NOT use a salt-based produce as this eats the concrete.
- During storms and dark winter days, we ask you to leave your FRONT PORCH light on as this helps the snow removal process.
- The SNOWLINE number is 303.343.3063. This will be updated during storms for crew progress.

THE LAST BUSINESS MEETING OF THE YEAR WILL BE ON

WEDNESDAY, NOVEMBER 5TH @ 5PM

HOA PAYMENT COUPON BOOKS AVAILABLE UPON REQUEST FOR 2027

As part of our ongoing efforts to improve efficiency, reduce unnecessary expenses, and minimize paper waste, Heritage Eagle Bend will be making a change to the distribution of annual HOA payment coupon books beginning in 2027.

Payment coupon books will no longer be automatically mailed to homeowners. Instead, coupon books will be available upon request for all three associations: **Heritage Eagle Bend Master Association, Villages, and Traditions.**

This change will help reduce printing and postage costs while eliminating the unnecessary mailing of coupon books to homeowners who utilize automatic payments, online payments, or other payment methods that do not require coupons. By distributing coupon books only to those who need them, we can better utilize Association resources while continuing to accommodate homeowners who prefer traditional payment methods.

If you would like to receive a payment coupon book for your 2027 HOA dues, please contact the Administration Office:

Phone: 720-235-1888
Email: AGulley@heritageeaglebend.com

We appreciate your cooperation and understanding as we continue to identify ways to streamline administrative processes, reduce costs, and provide efficient services to our community.

Opera for Beginners *by Carol Pike*

Sometimes after people hear of my two CAL classes of opera for beginners, I am asked how I got interested in opera. One big influence was attending the Metropolitan Opera high -definition simulcasts that arrive in local theaters from New York City. Live opera is very expensive to produce so tickets are often expensive. However, tickets in a local theater are very reasonable.

Operas, like plays or musicals, can be serious or comedic. They can have extravagant or minimal staging. In my opinion, for someone thinking of trying their very first opera, choosing the right opera is important. Carmen, in the following list, would be a great first choice. For others who already love attending the Met HD operas, here is the 2026-2027 list for Saturday afternoons.

If you cannot drive, but would like to attend a theater showing, please contact me. carolmpike@outlook.com.

Macbeth, Oct. 17
Carmen, Nov. 14
Samson et Salila, Dec. 5,
La Fanciulla del West, Jan. 23
Silent Night, Mar. 20
Manon, Apr. 3
Otello, Apr. 24
Tosca, May 8.
Parsifal, Jun. 5

by Cindy Born-Mylo

Our final Club lecture in our 250th Anniversary of America is on November 2 at 10:00 am in the Clubhouse when Sylvia Tracy Doolos will present *From Territory to State: Records you Might Miss*. After learning about Colonial America and the Revolutionary War, we thought it might be good to explore the records that were created as states began to be admitted to the union. Sylvia will discuss how, as our nation grew, territories began keeping records to achieve statehood. Let's look at records and research strategies that can help you.

Sylvia Tracy Doolos is a professional genealogist who has presented to our club several times. She is the owner of New Leaf Genealogy with more than forty-five years of research experience. She serves as President of the Wales, Ireland, Scotland, England Family History Society (WISE) and is Past President of both the Int'l. Society for British Genealogy and Family History and the Colorado Chapter of the Association of Professional Genealogists. She is the recipient of the Birdie Monk Holsclaw Award and the National Genealogical Society's Award of Merit.

This presentation will be available either in person or via zoom. The cost is $10 payable at the door.

Fun and Friendship with EB Singles

Sit and Stand Chair Yoga Class *by Sylvia Schuller*

We are family! Did you know there is a sit-and-stand chair yoga class at HEB? It's held twice a week on Mondays and Wednesdays year-round. Time flies when you're having fun, and our class sure has lots of fun.

We held a potluck luncheon party in September. There was plenty of food, a relaxed atmosphere, good conversation, and everyone had a chance to mingle and make new friends. Each yoga member is treated like family. As one member put it, "when I don't come to yoga, I miss it."

Next month, we plan to have a Yoga Halloween Fun Sock Day. Thanks to Tony Yates, who introduced us to his fabulous sock collection, Fun Sock Day has become a tradition for our yoga class.

We follow a yoga DVD. The exercises are strictly low-impact to protect joints and support balance. Join us Monday and Wednesday mornings from 10:00 – 11:00 a.m. We are delighted to welcome you to our yoga family, and the best part: the class is FREE.

Billiard's Club News *by Marty Patten*

We're happy to announce that the HEB Billiards tables have been beautifully and professionally releveled with new pockets, felt, and bumpers!! So come play on our fully reconditioned pool tables on Monday and Thursday afternoons. Get out of the house and come join us! Billiards Club members regularly play pool every week, so come on over!! We would like to expand our membership and start having various competitions again. Please join us in play, regardless of your skill level. All are welcome!

The regularly scheduled dates and times set for open men's play, for Billiards Club members, are Monday and Thursday afternoons from 1 to 5 pm. We can have 8 or more players at a time in the Billiards Room, so we can have members playing on both pool tables, with 4 or more at a time playing on each table. We can also schedule additional days and times or even evening times if there is enough interest.

If you would like to join the Billiards Club, dues are $10/year, but have been suspended for all members since COVID. We are planning on having a Billiards Club meeting in the near future to elect new officers and resume having tournaments and playoffs. Watch for a meeting announcement in the HEB weekly news coming soon!

Women are also encouraged to join and in the past, there has been a regularly scheduled women's pool playing session on Tuesday afternoons from 2 to 5 pm. It is also possible to set up times for couples play, again if interested.

If you want to join the Billiards Club, or if you have any questions, please contact Marty Patten at (303) 690-5971 or by email at martin_patten@msn.com.

Pickleball – Little Did I Know

by Brent Norgaard

My in-laws, Bill and Karen, wintered in Mesa, Arizona, for many years, and our family often visited them. Their retirement community was very active, with plenty of activities to enjoy. About 21 years ago, Bill introduced us to a new sport he had discovered with a funny name—**pickleball**. It was quickly gaining popularity, and people were lining up to learn. Mindy and I were in our early forties, and our kids were 12 and 10. Our whole family loved it from the start.

After a little instruction and practice, my son and I were ready to take on anyone. Our first "victims," or so we thought, were two little old ladies. Bill warned us not to underestimate them. We figured it would be a piece-of-cake.

Needless to say, those ladies **kicked our butts!**

Little did I know that was the beginning of something far beyond my wildest imagination.

So, what makes pickleball so special? Pickleball has become the fastest-growing sport in the U.S. According to the *Sports & Fitness Industry Association's 2026 Pickleball Single Sport Report,* approximately 24.3 million Americans played in 2025—an increase of 479% since 2020. Interestingly, ages 13–24 now have the highest participation rate. Pickleball is definitely no longer just a retirement-community sport.

There are plenty of reasons for its popularity.

- **It's easy to learn.** Most beginners can learn enough to start playing after a short training session. From there, skills and strategy improve with experience.
- **You can play at almost any age.** Our 4-year-old granddaughter already has her own paddle, and I've played with people in their late 80's. Grandparents can play with their children and grandchildren. Few sports span generations quite like pickleball.
- **It's FUN!** It's hard to play without laughter, friendly banter, high-fives, paddle bumps, and encouragement from both sides of the net. And yes, it can become a little addictive. As one ofmy shirts says, "Pickleball, A Healthy Addiction."
- **It's great exercise.** Players can average 3,000+ steps per hour, while the quick movements and continuous play provide a solid cardiovascular workout. You're having so much fun you may forget you're exercising.
- **It builds friendships.** People who were once strangers become friends, travel together, and sometimes even find their spouses on the courts. The social side may be one of pickleball's greatest attractions. Over the past nine years, I've personally met more than 1,000 people by name through pickleball—and they are some of the nicest people on the planet.
- **It's inexpensive to get started.** All you really need are court shoes, a paddle, some balls, and a place to play. Many communities have free public courts, and for under $100, you can be on the court joining millions of others who have discovered the game.
- **Little did I know** when those two ladies handed my son and me our first pickleball defeat, where this funny-named sport would lead.

What are you waiting for? **Grab a paddle, get in the game, and discover for yourself what all the craze is about!**

WE HOPE YOU HAVE A SAFE AND HEALTHY WINTER SEASON!

Tennis Club *by David Peck*

The HEB tennis club has been very active this fall, with the courts busy almost every day. The schedule is attached. The ball machine is a great training tool and is available to all paid club members. The weather has been perfect, and the courts are in good shape. We plan to continue playing whenever the weather permits. Here in Colorado, we consider tennis a year-round sport—if the courts are dry, we will bundle up and play!

Tennis is a lifelong sport with great benefits. This was evident again on September 26th when Brock Norris brought his 96-year-old father, Doug, to play with us. Doug loves to play tennis with our group whenever he comes to visit Brock (his picture is attached). It is always an inspiration to visit with him and see him play so well. You don't stop playing tennis because you get old; you get old because you stop playing tennis. We have many members who are playing well into their eighties and nineties.

On October 3rd, we held our fall social event. We had a great turnout on the courts at 9:00 AM, followed by a picnic at North Side Park with deli sandwiches, chips, cookies, and ice cream for everyone. We also had many games available for all to enjoy. We plan to host more social events this winter and spring.

Many new residents have moved into HEB and started playing tennis with us right away. If you have any interest in playing tennis, please contact me so we can get you started. You will really enjoy our club and make many new friends.

Please contact me if you have any questions about the HEB Tennis Club.

Women's Golf Association *by Marnie Goeschel*

The WGA was well represented in the 2026 Colorado Golf Association Women's Club Team Championship held on September 16 at Plum Creek Golf Club. Teams were comprised of an A, B, C and D player as determined by index. HEB's team was Anne Johns, Deb Snead, Melanie Smith and Barb Fagan. They finished 12th in the field of 30 teams from across the state of Colorado. This is the highest the WGA has ever placed in this tournament. Congratulations Team! (left to right: Deb Snead, Barb Fagan, Anne Johns, Melanie Smith)

Keep a look out for information on our 2026 WGA Christmas Party.

Our WGA Christmas tree will be standing, once again, in the clubhouse foyer. We will be looking for volunteers to help decorate it. As we get more details about the date, we will let everyone know. Let's make this a fun social event.

How do you keep you game strong or improve your game during the winter months? Practice, practice, practice!!

All practice facilities are open. The driving range is typically quiet and makes it easier to focus. Use the rough to practice those hard shots. The putting green is in great shape so you can tighten up those putting strokes.

Ladies 9 Hole
by Karen Watson

Thank you to all our league members for a fabulous 2026 Season. We appreciate the way you encourage each other, volunteer to help, and share your love of golf. You truly are a fun group of ladies.

Margarita Ville was our last exchange hosted by the Common Ground ladies. Our members looked great: Karen Dorr's team placed first in her flight and Louise Lamott's team tied first with a runoff game for their flight winner. Thanks to Common Ground for a fabulous fun time to end the 2026 season. We look forward too many more exchanges in 2027.

Our board is in need of a few more volunteers to fill these positions: Communication Coordinator and 2 people for Event Coordinators. Please contact our president Amy Knowles,Dyce21know@gmail.com or 860-807-5270 if you're interested in helping out our league.

Mark your calendars: Jan 14th will be our annual Snowball Social. Thank you, Liz Folk for hosting this event. More details will follow in our monthly newsletter.

HAVE A HAPPY THANKSGIVING CELEBRATING WITH FAMILY AND FRIENDS.

Remember to use your pro shop credits by the end of December.

Men's Golf Association
by Terry Mahlman

Although the season was abbreviated slightly in 2026, we packed a lot into the schedule and most of will agree that the season was enjoyable and competitive. Our total membership grew this past year and we look forward to welcoming everyone back for 2027!

2027 PLANNING

The 2027 MGA Leadership Committee members and positions will remain the same as 2026: Chet Vinci, Chair; Terry Mahlman, Vice-Chair; Mike McTigue, Treasurer; Tracy Weathers, Secretary; Dave Snider, Events Coordinator; and Larry Cotter, Past-Chair.

The course may be closed due to construction, but the MGA Leadership Committee is diligently working on planning for the 2027 Schedule of Events; the budget; the Heritage Cup; fine-tuning the handicap review process; updating the MGA Bylaws-Rules for ratification at the Spring Membership Meeting; and whether or not to allow members of the soon-to-be-defunct LIV tour to apply for membership to the MGA.

We anticipate that the MGA Schedule of Events will look much more like prior years, starting in April and concluding in late September with the President's Revenge / Fall Luncheon. We value input from all MGA members regarding the schedule and how to improve the MGA for 2027. So, please reach out to any committee member with your comments and suggestions.

LEADERSHIP COMMITTEE BY THE NUMBERS

We thought it would be interesting to profile the Leadership Committee (LC) with the following information:

- **292** – The collective number of years that the LC members have been playing golf.
- **16.6** – The average Handicap Index of the LC members.
- **11** – The number of holes-in-one scored by the LC.
- **230** – Rounds played at HEB in 2026 by Dave Snider!!! Wonder what he did on his 54 off-days.

THE LEADERSHIP COMMITTEE WANTS TO WISH EVERYONE A HAPPY THANKSGIVING!!!

A review from an HEB resident:

"We found A Caring Hand & Heart from an ad in the HEB newsletter when we decided my Mother needed more care than my Father, sister, and I could reasonably provide (in addition to hospice). They were in a word -Fabulous! We were assigned Destiny and she turned out to be such a gift to my Mother and family! When Mom was sleeping, Destiny would do laundry, clean the kitchen, or straighten up. When my Mom was awake, she colored with her, made and fed her meals, talked about life, listened to music, looked at pictures or whatever. I really can't say enough great things about the organization and Destiny specifically. We had a great experience!"
